dispatches published between June 1973 and October 1977 in the tribe's Fort Apache Scout newspaper. This twenty-eight part series of articles shared Western Apache culture and history through 1881 and the Battle of Cibecue, emphasizing early encounters with Spanish, Mexican, and American outsiders. Along the way, rich descriptions of Ndeé ties to the land, subsistence, leadership, and values emerge. The articles were the result of the dogged work of journalist, librarian, and historian Lori Davisson, along with Edgar Perry, a charismatic leader of White Mountain Apache culture and history programs, and his staff, who prepared these summaries of historical information for the local readership of the Scout. Davisson helped to pioneer a mutually beneficial partnership with the White Mountain Apache Tribe. Pursuing the same goal, Welch's edited book of the dispatches stakes out common ground for understanding the earliest relations between the groups contesting Southwest lands, powerfully illustrating how, as elder Cline Griggs Sr. writes in the prologue, the past is present. *Dispatches* from the Fort Apache Scout is both a tribute to and continuation of Davisson's and her colleagues' work to share the broad outlines and unique details of the early history of Ndeé and Ndeé lands.
