*A Short History of Chinua Achebe's *Things Fall Apart** Terri Ochiagha, 2018-11-12 The publication of Chinua Achebe's *Things Fall Apart* 1958 is heralded as the inaugural moment of modern African fiction and the book remains the most widely read African novel of all time. Translated into dozens of languages it has sold more than twelve million copies and has become a canonical reading in schools the world over. While *Things Fall Apart* is neither the first African novel to be published in the West nor necessarily the most critically valued, its iconic status has surpassed even that of its author. Until now in the sixtieth anniversary year of its publication there has not been an updated history that moves beyond the book's commonly discussed contexts and themes. In the accessible and concise *A Short History of Chinua Achebe's *Things Fall Apart** Terri Ochiagha provides that history asking new questions and bringing to wider attention unfamiliar but crucial elements of the *Things Fall Apart* story. These include new insights into questions of canonicity and into literary historiographical and precolonial aesthetic influences. She also assesses adaptations and appropriations not just in films but in theater, hip hop and popular literary genres such as Onitsha Market Literature.

abstract *Things Fall Apart* is a story about personal beliefs and customs and also a story about conflict. There is struggle between family culture and religion of the Igbo people which is all brought on by a difference in personal beliefs and customs. Finally we see how things fall apart when these beliefs and customs are confronted by those of the white missionaries. According to Ernest N Emenyonu *Things Fall Apart* is a classic study of crosscultural misunderstanding and the consequences to the rest of humanity when a belligerent culture or civilization out of sheer arrogance and ethnocentrism takes it upon itself to invade another culture, another civilization. p 84 Chinua Achebe is a product of both native African and European culture. Achebe's education in English and exposure to European customs have allowed him to capture at the same time the European and the African perspectives on colonial expansion, religion, race and culture. This has a great effect on the composition of the novel because he is able to tell the story with an understanding and personal experiences in both cultures.

He does not portray the African culture and their beliefs as barbaric He simply tells it as it is and how things happened Chinua Achebe states that neither of the cultures were bad but they simply had a difference in beliefs In the first section of this paper I would like to outline some important aspects of the traditional Igbo culture as presented in *Things Fall Apart* Achebe argues that the white man has destroyed Igbo culture out of ignorance of the people s way of life and the white man s inability to speak the people s language The second section deals with Christianity and the colonizers I will compare the Igbo systems to a certain extent to the new system the white man brought to Nigeria Later on I will examine the effects of the colonizers arrival and their religion on the indigenous culture giving special attention to Okonkwo the main character of the novel
