GOD did not intend that any should perish for that HE did not only let HIS Son JESUS die to redeem the sinful world but HE called teachers and prophets to teach the people HIS righteous ways so that they may have eternal life and not be punished in hell as HIS justice requires Unfortunately to some of us the same teachers whom GOD has called for the true Gospel of JESUS CHRIST to win souls for the kingdom of GOD has adopted the ways of this world and has abandoned the reason why the LORD called them Their call to turn sinners to righteousness has become unmentionable in their churches and they grow weak every day in converting sinners because the devil has made them believe that mentioning sin may be offensive to some of their members who already know that they are sinners Since their minds are set in pleasing and winning people for themselves rather than winning souls for GOD they have found fancy and entertaining ways of setting aside the commands of GOD in order to observe their men introduced traditions For that and more the LORD spoke to me in my dream and revealed to me in a vision a verse in the Bible which you will find inside this book that HE is not happy that the teachers have neglected the more important matters of HIS kingdom which is living to inherit eternal life HE automatically made me a writer so that I may enter the enemy zones and rescue those that the devil holds captive through the words of those material minded teachers and the false prophets To bring to light the desire of the LORD for HIS people to HIS people so that we may know where we are going wrong and be able to work it out with the help of GOD through JESUS CHRIST and the HOLY SPIRIT Peace and love to you **Babyland** Holly Chamberlin,2012-06-06 A woman discovers that nothing can disrupt a perfect wedding like an unplanned pregnancy in this novel by the author of *Living Single* And to think pink was once my favorite color Then the two pink lines appeared Pink as in positive as in pregnant as in pure unadulterated panic This wasn't supposed to happen I'm scheduled to marry the handsome successful and very appropriate Ross Davis in six months Unfortunately while Ross may not rock my world with kitchen table sex his technique worked well enough to put a bun in my thirtysomething oven Don't get me wrong babies are great in theory But I enjoyed my life the way it was Loved my job my rooftop apartment my friends was having fun planning my wedding and gazing at my pretty three carat diamond I didn't need anything more did I Well whatever I needed here's what I currently have A nasty case of morning sickness a future mother in law obsessed with Ross's Baby and a custom designed wedding dress I'll soon be too fat to wear Now as I burst the seams on my pencil skirts I'm trying to take some small comfort in the fact that one is never too bloated for a really cute purse But impending motherhood also has me reassessing more than my wardrobe and wondering how fast I can finish growing up
