Things To Check Before Long Road Trip:

22 Accessible Road Trips Candy Harrington, 2012-05-18 Bronze Winner 2012 Foreword Reviews Book of The Year Travel Guides Category 22 Accessible Road Trips contains useful and detailed information about accessible travel that is readable, informative, and pertinent. The book is aimed at those who use wheelchairs, walkers, or just have mobility issues. Organized geographically, the book is divided into 22 chapters, with each chapter detailing a loop driving route that can be completed in approximately 2-3 weeks. The routes are spaced throughout the US, with each route having a theme or a commonality. Each route begins in a gateway city with a major airport, so the trips can also be completed as fly-drive packages. And, of course, they can always be broken up into shorter trips or even day excursions. Flexibility is the key with this book, with plenty of opportunity to personalize each route to meet individual tastes, time frames, and budgets. Candy includes details about accessible lodging, sites, trails, attractions, and restaurants. She also gives readers a real flavor of the drives, with off-the-beaten-path finds, unique roadside attractions, and rural driving routes also included. After all, accessibility is in the eye of the beholder, and what may be accessible to one person can be filled with obstacles to someone else.

The Complete Guide to Chiweenies Adriana Rodrigues, 2019-05-15 With such short legs and tiny paws, you might be surprised just how much energy a Chiweenie can hold. But just like how the tantalizing combinations of a Mexican Hotdog or a German Taco leave your ears perked, this perfect blend of a Dachshund and a Chihuahua is always trying to constantly grab your attention and succeeding. Regardless of its short stature, the big heart of the Chiweenie is what helped this breed become recently popular in the US and also gain its unofficial title of one of the cutest mixed breeds around. Whether you are researching backgrounds for this toy breed or this pup has already found his or her way into your home and right into your heart, you might be in the market for some guidance. Topics covered include: Is a Chiweenie the right dog for me? Should I buy from a breeder or adopt from a rescue? I brought my Chiweenie home. What now? How can I best train my Chiweenie? What are some common mistakes I should avoid? Whether you are a veteran or novice Chiweenie owner, there will be something for everyone in this book. Chapters include all the basics, such as Chiweenie History, Choosing your Chiweenie, Preparing your Home for your Chiweenie, Bringing Chiweenie To His or Her Forever Home, Being a Puppy Parent, House Training, Socializing with People and Animals, Chiweenies and Your Other Fur Babies, Keeping Your Chiweenie Fit, Physical and Mental Exercise, Nutrition Tips for Your Chiweenie, Grooming Your Chiweenie, Caring for Your Chiweenie. Every dog owner wants to give your dog his or her best life. But being an owner of this mighty and mini breed is not all smooth sailing, especially since most Chiweenies are water-shy. This guide can also help you through the rough times and with the obstacles that come along with raising a pup of your own. Whether it was your Chiweenie's floppy ears that won you over or its almond-shaped eyes, a life with this mixed breed can be full of love, laughter, and a whole lot of Wiener jokes.
