but a little while when my owner discovered that I could be profitably employed in another line that is in importing slaves
from other cities Some months before the firm for which I was then working had sent me to Milwaukee to sell toilet
preparations and this business had brought me in contact with a considerable number of foolish young women I knew that

some of them were anxious to come to Chicago and I was sent to Milwaukee to induce them to come and bring them with me I made several such journeys to Milwaukee and other cities bringing a number of victims for Chicago s slave market I attempt no defense for this infamous work I ask for no moderation of judgment against me but I feel that I have a right to call the attention of the public to the glaring injustice of the situation that puts me behind these bars with long months of imprisonment before me and leaves others who were equally guilty with me and who are equally well known in their guilt to go on with their wicked work I know that ignorance of law is no excuse for its violation but I was certainly ignorant that I was breaking any law I never dreamed of it until just before my arrest the proprietress of one of the houses from which a girl whom I had brought to the city had run away told me of my danger I asked her why she was not also in danger and she replied that it was because she carefully followed the instructions of the police and maintained an ignorance concerning the sources from which the girls were brought who came to her house I may or may not be believed but I state the truth when I say that I never brought to this slavery a girl whom I believed to be an innocent girl I brought only girls whom I found in bad surroundings
