1. **Abstract** – A summary provided after introduction, before the main body of the text. It should be written in a concise and clear manner, highlighting the main points of the research. It should include the purpose of the study, the methods used, the results obtained, and the conclusions drawn. It should be written in a way that is easy to read and understand, and it should be written in a way that is consistent with the rest of the document.
2. **Introduction** – The introduction is the first section of the document, and it should provide a brief overview of the research. It should include the purpose of the study, the methods used, the results obtained, and the conclusions drawn. It should be written in a way that is easy to read and understand, and it should be written in a way that is consistent with the rest of the document.

Solutions Advanced Progress Tests Unit 2 Answer
