The Rabbi As Symbolic Exemplar Jack H Bloom,2012-12-06 The solution to the growing problem of stress and burnout in rabbis Written by a practicing clinical psychologist who spent 10 years as a congregational rabbi The Rabbi As Symbolic Exemplar By the Power Vested in Me presents positive solutions to the inevitable negative effects of symbolic exemplarhood coaching rabbis through dilemmas of the inner soul Being a rabbi means serving as a Symbolic Exemplar of the best that is in humankind being experienced and treated and expected to act as a stand in for God and a walking talking symbol of all that Jewish tradition represents The burden of being a symbolic exemplar of God is extraordinary and the struggle to live up to its requirements can be one of loneliness frustration and despair alienating rabbis who tire of living in a glass house The Rabbi As Symbolic Exemplar examines how the symbolic role that serves as the source of the rabbi's authority and power can lead to disillusionment and disenchantment Author Jack H Bloom draws on his own experience as a rabbi who watched the successful career he enjoyed turn into one he desperately wanted to forsake and how he was inspired to become an athletic coach for rabbis This unique book details how symbolic

exemplarhood is created what its downside is what power it offers how it can be used effectively how rabbis can deal with their inner lives and what can be done to help rabbis stay human while maintaining their leadership The Rabbi As Symbolic Exemplar is equally effective as a complete text or as a source of stand alone chapters on specific topics including special tensions of being a rabbi effects of symbolic exemplarhood on the rabbi s family educating rabbis on their power training suggestions curing and healing and The Ten Commandments for rabbis The Rabbi As Symbolic Exemplar is essential reading for rabbis rabbinical students congregants Christian clergy seminarians and anyone interested in what it is to be a clergy person and how they can support the work clergy do The book educates both clergy and laity on the humanity of clergy Visit the author s website at <http://jackhbloom.com>
