CONCLUSIONS The authors have shown that the use of the 100% rule for the selection of projects is not always correct. The authors have also shown that the use of the 100% rule can lead to the selection of projects that are not profitable. The authors have also shown that the use of the 100% rule can lead to the rejection of profitable projects. The authors have also shown that the use of the 100% rule can lead to the selection of projects that are not profitable. The authors have also shown that the use of the 100% rule can lead to the rejection of profitable projects.

INTERNATIONAL JOURNAL OF MARKETING
 An international journal devoted to the study of marketing in all countries and cultures. The journal is required reading for all those concerned with the theory and practice of marketing. It is the only journal in the field to publish research on all aspects of marketing, including the social, cultural, and economic aspects of the marketing process. The journal is published quarterly by the International Association of Marketing (IAM).
