Valedictory Daniel Scott,2015-12-05 VALEDICTORY is set at a university in New York in the 1980s during a student takeover that shuts down the campus for three weeks Earl Castle is an ambitious senior trying to secure the prize of valedictorian Brilliant and aloof he cannot however stay completely above the turmoils roiling the university Due to his affection for Calvin Reynolds one of the student activists Earl becomes an unwitting participant in the takeover risking everything he has striven to achieve and forcing him to choose between the nobility of his feelings for Calvin and his desire for the award he so dearly covets **Letters to Men and Women of Letters** Diane Joy Charney,2024-09-16 In her Letters to Men and Women of Letters Diane Joy Charney writes to the authors she admires both living and dead who continue to keep her company Her letters reflect what these writers have taught Charney about herself but also what they can offer the reader Each letter part literary love affair part entertaining memoir shows Charney s reaction to having studied and taught the work of these timeless writers She was a latecomer to many of them but it s never too late to fall in love with great writers Among these are Franz Kafka George Eliot Proust Nabokov Camus Colette Flaubert Edith Wharton Balzac Leonard Cohen Christo and her father Her letters have been described as quirky Dear Jean Paul Sartre There have been many Jean Pauls in my life but you re the only one in whose bedroom I have slept warm accessible and funny *Litchfield Park* Celeste S. Crouch,2013 In 1908 William Kriegbaum a California citrus grower arrived as the first settler in what was to become Litchfield Park He along with other settlers from California owned the land until 1916 when Paul Litchfield of Goodyear Tire Rubber Company came to the area and purchased 16 000 acres to plant cotton for tires In 1918 the townsite was planned with tree lined streets and buildings to include an organizational house for Goodyear executives which is now the famed Wigwam Resort When new materials for tires were developed cotton was no longer needed for cord Shortly thereafter Goodyear brought its tire testing fleet to Litchfield and farm equipment companies followed suit sending engineers to design and test new machinery The steel wheeled tractor tire was replaced by Paul Litchfield s newly patented pneumatic tire as the standard for farm equipment The World War II years brought changes to the area as an influx of new residents transformed the company town to a more planned community *Home Fires* Luanne Rice,2005-04-26 Anne Davis has returned to the house where she grew up trading her glamorous Manhattan lifestyle for a harsh winter on a wind whipped New England island Her marriage has crumbled in the wake of a tragic accident Now she has returned to the home on Salt Whistle Raod that has always meant shelter security family and love When she awakens one snowy night to a fire that roars through the old house Anne escapes but runs back into the blaze to save something so precious that it s worth risking her life for It is that reckless act of blind desperation that sets a miracle in motion *Senate Ethics Manual* United States.
