Valkyrie's Vengeance was adapted from the short story The Child Thief Discover this exciting Norse mythology urban fantasy series where the modern crosses over with mysticism in a setting similar to Neil Gaiman's American Gods or Jim Butcher's Dresden Files Science technology clash with sword sorcery in action filled plots replete with magical creatures gods goddesses shapeshifters ghosts elves vampires and werewolves Important note for readers This book is an adult urban fantasy set on an alternative modern earth ruled by the Norse gods and goddesses It contains violence swearing and sexual themes The romance in this series is slow burn and there is no sex in this particular novel There is no cliffhanger ending The story depicts events that take place approximately two months before the the next book in the series Hunger Moon
