Mobile and Blended Learning Innovations for Improved

Learning Outcomes Parsons, David, 2016-05-03 The integration of technology into educational settings has revolutionized classroom instruction in recent years By properly utilizing available digital resources students learning experiences can be significantly enhanced Mobile and Blended Learning Innovations for Improved Learning Outcomes is an authoritative reference source for the latest research on the use and benefits of technological tools in contemporary classrooms and showcases how these devices improve the overall learning process Highlighting the distinctions and interactions between mobile and blended education this book is ideally designed for practitioners professionals academicians and students interested in the effective implementation of modern technology in the classroom **The Power of Reflection in Teacher Education and Professional Development** Fred Korthagen, Ellen Nuijten, 2022-05-11 Based on years of extensive research on teacher development this book offers a practical introduction to the concept of teacher reflection demonstrating how student teachers can engage with reflective learning from their teaching and classroom experiences in a systematic and inspiring way Providing practical models and guidelines for use in the classroom renowned teacher educators Fred Korthagen and Ellen Nuijten outline various strategies for promoting reflection and illustrate how a deeper form of reflection core reflection enhances awareness of professional identity and supports the dismantling of inner obstacles therefore enhancing social justice and empowering diverse student populations The authors demonstrate how a trajectory for learning can be designed to develop key competencies as well as the role played by university and school based teacher educators in supporting teachers self directed reflection Featuring a variety of tools that support professional growth this unique text demystifies the area of teacher reflection helping to provide concrete and inspiring examples for how to strengthen professional identity based on everyday challenges faced by practitioners The Power of Reflection in Teacher Education and Professional Development is therefore an essential guide for students in service teachers and teacher educators alike as well as for anyone in the helping professions Becoming an Addictions Counselor Peter L. Myers, Norman R. Salt, 2018-03-06 Becoming an Addictions Counselor Fourth Edition provides evidence based findings cutting edge treatment techniques and a focus on critical thinking to show future counselors how to respond to clients needs rather than impose cookie cutter routines *Lifestyle Wellness Coaching-3rd Edition* Gavin, James, McBrearty, Madeleine, 2019 Lifestyle Wellness Coaching Third Edition With Web Resource offers an evidence based and systematic coaching methodology that professionals can use to help clients achieve long term overall wellness by addressing health fitness and lifestyle *Principles and Practice of Grief Counseling, Second Edition* Howard R. Winokuer, Darcy L. Harris, 2015-08-10 Praise for the First Edition The book is well written interesting informative thorough and useful As an educator for 43 years this is the sort of text that I would be pleased to use in my classroom I would highly recommend this book It is an important contribution to the field Gerry R Cox PhD Illness Crisis and Loss This core introductory textbook for undergraduate and graduate level courses is the first to combine the knowledge and skills of counseling psychology with current theory and research in grief and bereavement The

second edition has been updated to reflect important new research and changes in the field including insights on complicated grief resilience after adverse life experiences and compassion based approaches to death loss and grief It discusses the implications of the DSM 5 s omission of the bereavement exclusion for the diagnosis of a major depressive disorder A completely new chapter on the social context of loss addresses social messages grieving rules workplace policies and the disenfranchisement of many aspects of normal health grief The text also touches upon some of the therapies that have been developed by major researchers in the field to address complicated grief New case scenarios further enrich the second edition The text is grounded in the belief that grief counseling is distinct from other therapeutic issues because it is an adaptive response rather than a form of pathology It describes the unique aspects of grief as a normal response to losses both death and non death related and views the goal of counseling bereaved individuals as one of facilitating the unfolding of the healthy and adaptive aspects of the process as it manifests itself within each client The book introduces various theories of bereavement and examines different therapeutic modalities that can be used in the context of grief and loss Specific counseling practices that facilitate successful interventions are discussed particularly that of presence considered by the authors to be the primary therapeutic stance when working with bereaved individuals The text also addresses grief counseling with special populations ethical issues and self care concerns for counselors Case studies discussion and reflection questions and suggested additional resources are included in each chapter New to the Second Edition New insights on complicated grief DSM categorizations of grief resilience and compassion based approaches to death loss and grief A completely new chapter on the social context of loss including social messaging grieving rules and workplace policies New case scenarios Addresses the unique aspects of grief after suicide and homicide Distinguishes grief complicated grief from depression and trauma New information on the role and use of grief support groups New information on the use of social media and privacy issues Newly developed models of compassion based response for counselors Application of current neuroscience research to grief counseling Use of technology and online counseling Key Features Provides research supported practical guidance for grief counseling and support Regards grief therapy as a unique form of counseling based on grief as an adaptive response rather than as a form of pathology Written by two internationally recognized leaders in the field Focuses on the importance of presence as the most important therapeutic foundation for working with bereaved individuals Includes questions for reflection and glossary of terms

Developing Your Professional Identity Hazel Richards, Michelle Malomo, 2025-02-28 A reflective guide for all those studying for the range of professional disciplines within the area of children and families Written by a multi disciplinary team this book provides students and practitioners with opportunities to reflect upon work based placement challenges and solutions within a variety of settings supporting employability and the development of a professional identity Practical and practice based it addresses issues of self confidence voice and agency resilience and self care relationships and partnerships risk assessments and reflective practice all within the context of

children and families Chapters take a supportive and reflective approach including clear objectives case studies critical questions and spotlights on new debates helping to build essential skills and promoting a clear sense of self as individuals transition from student to professional
