Project Management: The Managerial Process 6e Erik Larson, Clifford Gray, 2014-07-16 Project Management The Managerial Process 6e Study Guide and Solution Manual to Accompany Mathematical Ideas Charles David Miller, 1994

Project Management Clifford F. Gray, Erik W. Larson, 2008 As the market leading textbook on the subject Project Management The Managerial Process 4e is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied It focuses on how project management is integral to the organization as a whole The 4th edition reflects the latest changes found in the practice Other texts discuss the topics covered in this text but they do not view oversight as the project manager's operating environment as does Gray Larson **Mathematical Ideas** Emmett M. Larson, 2000-10 **Rural Lines** United States. Rural Electrification Administration, 1957 *Project Management Made Simple* David King, 1992 Whether you're a professional systems development project manager or simply aspiring to enter this challenging field this compact book is all you need Complete with checklists progress reports and questions with answers it's a practical hands on project management cookbook of useful techniques information and recommendations that can be used as a daily reference manual as well as a dictionary for the vast database of project management information available
