Barefoot, 2010-12-08 Authored by three of the nation's leading experts on the first year experience this Concise version of *Your College Experience* presents a straightforward realistic and intelligent review of the skills students need to succeed in college This less expensive streamlined Concise edition offers an expanded academic focus through added coverage of writing speaking the library research and information literacy Particularly relevant to today's students a new Money chapter discusses managing money building credit and financing college A new chapter on Emotional Intelligence explains what emotional intelligence is why everyone should understand it and why it matters in college A fresh clean new design eliminates clutter so that students can focus on the important topics

Financial Capability and Asset Building in Vulnerable Households Margaret Sherraden, Julie Birkenmaier, J. Michael Collins, 2018-03-28 Financial struggles of American families are headline news In communities across the nation families feel the pinch of stagnant and sometimes declining incomes Many have not recovered from the Great Recession when millions lost their homes and retirement savings They are bombarded daily with vexing financial decisions Which bills to pay Where to cash checks How to cover an emergency How to improve a credit report How to bank online How to save for the future Low

and moderate income families have few places to turn for guidance on financial matters Not many can afford to pay a financial advisor to help navigate an increasingly complex financial world They do their best with advice from family and trusted individuals Social workers financial counselors and human services professionals can help As first responders they assist families and help in finding financial support from public and private sources But these professionals are too often unprepared to address the full range of financial troubles of ordinary working families Financial Capability and Asset Building in Vulnerable Households prepares social workers financial counselors and other human service professionals for financial practice with vulnerable families Building on more than 20 years of research the book sets the stage with key concepts historical antecedents and current financial challenges of families in America It provides knowledge and tools to assist families in pressing financial circumstances and offers a lifespan perspective of financial capability and environmental influences on financial behaviors and actions Furthermore the text details practice principles and skills for direct interventions as well as for designing financial services and policy innovations It is an essential resource for preparing the next generation of practitioners who can enable families to achieve economic security and development
