

Valedictory speech

"WE ARE DESTINED FOR GREATNESS"

Chief Guest, The Chancellor, Vice Chancellor, Deputy Vice-Chancellors Principals of Colleges, Deans, Directors, our beloved teachers, parents my colleague graduands and all protocols observed; Distinguished Guest, Ladies and Gentlemen. Good morning!

I am humbled to address such a wonderful gathering here today – all under the umbrella of cherishing success. History brings us here through a long winding trip that can only be defined by the faithful as a miracle. It is a miracle to those of us who only witnessed others rewarded but never thought about the dawn of our day. Now it is our turn. Our turn to take those powers to read and do all that appertains to the degree.

On behalf of my colleague graduands, I hereby extend our sincere gratitude and appreciation to all of you who gave us this opportunity. You have proved to us that indeed hard work pays.

To our parents, thank you for understanding that the only inheritance you could dedicate to us was this education. We promised never to let you down and today you can attest to this. We did that and we have successfully completed our task. To God be all the glory.

Secrets of Top Students Stefanie Weisman, 2013-05-07 Straight talk and tips from top students to help make academic excellence a lifestyle Getting a passing grade is one thing cramming to memorize facts knowing what's on the test finishing a paper just before the deadline but being a top student is something else entirely So what makes the difference between a good student and a top student Being a top student is a lifestyle not just an A on your transcript The Secrets of Top Students Tips Tools and Techniques for Acing High School and College offers advice from lifelong top student Stefanie Weisman to help you learn the keys to studying smart staying motivated and making academic excellence a part of your life Tips from 45 Top Students Learn strategies on making the grade with first hand advice from valedictorians Rhodes scholars Fulbright scholars Intel Science Fair finalists a National Spelling bee champion and more Lifestyle Tips and Techniques Discover tips and mantras that will keep you on the road to academic success Helpful Exercises Practice makes perfect Put what you've learned to the test with easy exercises on taking notes staying motivated and more

Principles of Public Speaking Kathleen German, 2017-06-26 Balancing skills and theory Principles of Public Speaking 19th Edition emphasizes orality internet technology and critical thinking as it encourages the reader to see public speaking as a way to build community in today's diverse world Within a framework that emphasizes speaker responsibility listening and cultural awareness this classic book uses examples from college workplace political and social communication to make the study of public speaking relevant contemporary and exciting This edition opens with a new chapter on speaking apprehension and offers enhanced online resources for instructors and students

A Guide for 21st Century High School Students Jason Robert, 2021-01-19 Student life can be exhilarating and challenging Society may not even realise what exactly high school students experience day in and day out There probably has not been a single book that serves to guide high school students on various aspects of their life both during school hours and beyond school hours Thus this book endeavours to be a guide for 21st century high school students by covering various aspects of school life including their inextricable attachment to social media It is hoped that it will be a gripping and enlightening read for 21st century students of all year levels

Real Communication Dan O'Hair, Mary Wiemann, 2012-01-16 Real Communication uses stories from real people and the world around us to present the best and most lively introduction to communication concepts Professors and students alike have fallen in love with Real Communication's down to earth writing style its coverage of research and its wealth of learning and teaching tools They also appreciate how Real Communication strives to weave the discipline's different strands together with the CONNECT feature that shows students how concepts work and apply across interpersonal small group and public speaking contexts The Second Edition is even better with a broader array of engaging examples new coverage of hot topics in the field like Intercultural and mediated communication plus a public speaking unit honed to provide the essential information students need for this fast paced course Whether you want a traditional paperback an e Book online or

downloadable to a device a looseleaf edition or the book within the new HumanCommClass Real Communication has an option for you Read the preface

Bi Ritch C. Savin-Williams,2023-06-13 Despite the increasing visibility of LGBTQ people in American culture our understanding of bisexuality remains superficial at best Yet five times as many people identify as bisexual than as gay or lesbian and as much as 25 percent of the population is estimated to be bisexual In Bi noted scholar of youth sexuality Ritch Savin Williams brings bisexuality to centerstage at a moment when Gen Z and millennial youth and young adults are increasingly rejecting traditional labels altogether Drawing on interviews with bisexual youth from a range of racial ethnic and social class groups he reveals to us how bisexuals define their own sexual orientation and experiences in their own words Savin Williams shows how and why people might identify as bisexual as a result of their biology or upbringing as a bridge or transition to something else as a consequence of their curiosity or for a range of other equally valid reasons Amazon com

Forbidden Knowledge - College Michael Powell,Matt Forbeck,2010-10-18 Con your way into a scholarship Sleep with your professors Crash a closed course Sell your organs for beer money Get textbooks for free And more This book has schooled its readers before but not like this This guide is a full scale assault on the ivory towers of academia teaching students the ins and outs of college life from how to handle obnoxious roommates retaliation to how to make it onto the dean's list cheat With 101 entries providing a crash course in college survival this next Forbidden Knowledge installment is perfect for senior and freshman fans alike who aren't afraid of double secret probation

Ignition Matthew Moseley,2021-05-31 Ignition is a book of dispatches from the frontlines of communication strategy Matthew L Moseley draws on his eclectic life experiences to investigate the link between success and effective communication Whether he's choreographing a fine dining experience at the top restaurant in America using rock stars to register voters helping a national chain save its reputation after a gaffe goes viral or serving as media liaison at the epic ash blast send off for author Hunter S Thompson Moseley identifies the principles that guide communication strategies toward their goals In extensive interviews with a wide variety of experts including authors fighter pilots business

leaders politicians and astrophysicists Moseley tests these principles teases out new provocative ideas and anticipates how forming stronger connections will help us address today's greatest challenges Though it tackles serious subjects offers an illuminating perspective on the evolution of human discourse and shares important insights on interpersonal relations Ignition is also a good fun read A broad range of colorful anecdotes gives this book of philosophical wisdom and practical advice the zest of a juicy memoir *Speech* S. Judson Crandell, 1963

Volume 1 Family and Mormon Church Roots: Colonial Period to 1820 JOHN J HAMMOND, 2011-07-27 This is the first volume of a multi volume work entitled The Quest for the New Jerusalem Mormon Generational Saga and it ends with a listing of the titles of all sixteen volumes in this series which have been written to this point Before discussing the first volume it is necessary to describe the entire series Around the year 2000 the author began a thorough investigation of his genealogical roots and to his surprise discovered that many of his ancestors had played significant roles in the early history of America and central roles in the history of Mormonism Wherever he looked his ancestors were there during the colonial King Phillip's and French and Indian Wars in New England at the Battle of Bunker's Hill and on a prison ship for two years on the Hudson River during the American Revolution on whaling ships in the south Atlantic and northern Pacific during the 1840s at Mormon Kirtland Far West and Nauvoo during the turbulent and often bloody events of the 1830s and 1840s in the earliest Mormon experiments with polygamy almost all of the author's ancestors were polygamists in San Francisco and Sacramento during the earliest stages of the California Gold Rush in the immigrant ships filled with Mormon converts crossing the Atlantic in the wagon trains carrying the saints across the plains to Salt Lake City during the establishment of the Mormon Church in Hawaii in the early 1850s in the first halting steps toward elementary and higher education in Utah during the Mormon War with the U.S. army in Utah in 1857-58 in the operation of the early Salt Lake Theater in the building of the transcontinental railroad across Utah in 1869 in the settlement of the wild four corners area during the 1880s and 1890s in the rather secret and somewhat underhanded process by which Utah became a state and in the pioneer settlement of southern Idaho in the early 1900s The author felt impelled to tell these wonderful ancestral stories and it became obvious that this could not be done without giving an account of the history of the Mormon Church the two subjects were intimately interwoven Furthermore telling the linked ancestral Mormon story beginning in the American colonial period could not be adequately undertaken without giving an account of significant events in the larger American story In recent years a number of writers have given us fascinating generational family stories Alex Haley's *Roots* is a well known example Haley traced his African American family all the way back to a slave taken from a village in Africa In 1991 Chinese American Jung Chang's *In Her Wild Swans Three Daughters of China* told a wonderful story of three generations of Chinese women her great grandmother grandmother and mother reaching back to China Adele Logan Alexander's *Homelands and Waterways The American Journey of the Bond Family* is an account of several generations of the author's African American family Concerning another example James Fox's *The*

Langhorne of Virginia reviewer Robert Skidelsky wrote It was a clever idea to use family history to write about social and political history What Fox does is to use the Langhorne sisters as a peg on which to hang the story of the decline of the British aristocracy or Empire or both John Hammond s multi volume Mormon Generational Saga evolved into something very similar to Fox s but he utilizes family history to write about religious as well as social and political history In fact what has emerged is a very detailed examination of the early history of the Mormon Church with a special focus upon how that history affected his ancestors The series opens in the earliest years of colonial New England with an account of four of the author s ancestral families and the early lives and ancesto

Sonceria's Voice Sonceria M. Mayes, 2012-01-16 There is great pride and love that a father has for his daughters You desire to see them grow up and become the women you know they can be You see the talent and skills within them and you wish for them to success as much as they desire too You encourage them and guide them to the best of your abilities You tell them they can become whatever their heart desire that the sky is the limit sometime life doesnt always go as you or they plan Sonceria Messiah Mayes my beloved angel now in the arms of God desired to write and publish her poems and prose but was taken away from my reach and for her I attempt to make her dreams come to fold Sonni was born October 11 1977 and received into the arms of God on April 9 1997 For you Sonni I dedicate your voice for others to hear what you saw and what you felt I love and miss you and Ericka *Renato Rosaldo Lecture Series Monograph* ,1990
