

A surreal kitchen scene with green cabinets and water flooding the floor. The kitchen features green upper and lower cabinets. The countertop is white and holds a yellow and white electric kettle, a green plate, and some other small items. A window with a wooden frame is visible on the left. The floor is dark and appears to be flooded with water, which is splashing and bubbling. The overall atmosphere is dreamlike and unsettling.

Soucouyant By David Chariandy:

Critical Perspectives on David Chariandy Rodolphe Solbiac, 2021-10-19 Critical Perspectives on David Chariandy explores the fiction written by this Caribbean Canadian writer to bring new perspectives to the existing scholarship on memory history trauma myth second generation issues cultural inheritance and transmission The works presented in this collection about Chariandy's novels *Soucouyant* and *Brother* consider new aspects and bring a fresh gaze to themes that have previously been explored Critical Perspectives on David Chariandy presents second generation Caribbean Canadian cultural affiliation to the Caribbean and North America as an outcome of a self managed reparatory postcolonial aural transmission It brings a new exploration of relationships between dementia animality forgetting transformation and identity as well as an original analysis of the implications and stakes raised by Canadian middlebrow reception of *Soucouyant* in 2007 The new readings of Chariandy's exploration of the relationship between history memory and myth included in this collection disclose the stakes and scope of the author's use of the myth of the *soucouyant* and of the mythologies of Scarborough and Canada This collection also approaches *Soucouyant* as the literary form of a process of searching for healing that operates both at personal and collective levels demonstrating the author's use of different types of memories for healing power

Soucouyant David Chariandy, 2007-09-01 A *soucouyant* is an evil spirit in Caribbean lore a reminder of past transgressions that refuse to diminish with age In this beautifully told novel that crosses borders cultures and generations a young man returns home to care for his aging mother who suffers from dementia In his efforts to help her and by turn make amends for their past estrangement from one another he is compelled to re imagine his mother's stories for her before they slip completely into darkness In delicate heartbreaking tones the names for everyday things fade while at the same time a beautiful haunted life stained by grief is slowly revealed This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines WCAG AA It is screen reader friendly and is accessible to persons with disabilities A Simple book with few images which is defined with accessible structural markup This book contains various accessibility features such as alternative text for images table of contents page list landmark reading order and semantic structure

Diasporic Marvellous Realism María Alonso Alonso, 2015-07-14 Diasporic Marvellous Realism highlights the interesting switch in perspective found in contemporary literary production where the supernatural is regarded from a diasporic perspective as marvellous rather than magical The titular term is applied to the influence of transterritorialization on the works of first and second generation immigrant writers when approaching and exploring the myths and legends of their culture of origin The texts included in this analysis show that the employment of this literary philosophy and narrative technique in contemporary literature involves a fruitful refocusing of the rhetorical gaze regarding the importance of cultural heritage as vindictory resistance to the lacunae of history and as celebratory re enfranchisement of diasporic communities in host countries such as Canada and the UK Twenty-First-Century Gothic Maisha Wester, 2019-05-22 This resource in

contemporary Gothic literature film and television takes a thematic approach providing insights into the many forms the Gothic has taken in the twenty first century

Racism, Memory and Trauma in Canada and the "Soucouyant" Thomas Gantner, 2015-05-26 Seminar paper from the year 2012 in the subject English Language and Literature Studies Literature grade 1.7 University of Rostock Institut für Anglistik und Amerikanistik course Witchcraft Memory and the Legacy of Sugar in Caribbean Literature language English abstract African American slavery and racism that black people and other ethnic minorities often had and still have to face in their every day lives in Canada are disabled from Canadian history and their modern representation When associations are made to the topic of slavery most people do not know that slavery existed in Canada because slave trade mostly took place in the larger Atlantic Ocean and America Therefore it was suppressed from Canadian s history even if it is very much a part of it The novel Soucouyant by David Chariandy published in 2007 picks out main topics as forgetting and remembering trauma dislocation family but also racism as a central theme However I want to emphasize on all these themes in the subsequent chapters whereas the topic of family will be on the fringes Also I would like to present how racism in Canada developed and how a traumatic event is processed in one s mind For the illustration of these subjects I will use the novel Soucouyant as well as The Hanging of Anglique but will mostly concentrate on Soucouyant because it allows a great deal of interpretation in the context of themes as racism memory and trauma

Market Aesthetics Elena Machado Sáez, 2015-03-24 In Market Aesthetics Elena Machado Sáez explores the popularity of Caribbean diasporic writing within an interdisciplinary comparative and pan ethnic framework She contests established readings of authors such as Junot Díaz Julia Alvarez Edwidge Danticat and Robert Antoni while showcasing the work of emerging writers

such as David Chariandy Marlon James and Monique Roffey By reading these writers as part of a transnational literary trend rather than within isolated national ethnic traditions the author is able to show how this fiction adopts market aesthetics to engage the mixed blessings of multiculturalism and globalization via the themes of gender and sexuality New World Studies Modern Language Initiative **Mobile and Entangled America(s)** Maryemma Graham, Wilfried Rausert, 2016-05-12 A superb combination of focused case studies and high level conceptual thinking this volume is an important monument in the ongoing development of Inter American studies The articles gathered here closely examine a wide variety of cultural phenomena implicated in the entanglements which have defined the history of the Americas From religious networks to music and dance and across a range of literary and artistic works the mobility of people objects and ideas in the Americas is expertly mapped At the same time the book represents a serious enterprise of theory building Drawing on the histories of postcolonial thought mobility studies and work on human migration Mobile and Entangled America s clearly establishes a new interdisciplinary field attentive both to the complexities of cultural form and the pervasiveness of power relations Each article stands as a significant piece of scholarship on its own but all are in dialogue with each other The result is a richly satisfying and important volume of cultural scholarship *Disturbers of the Peace* Kelly Baker Josephs, 2013-10-11 Exploring the prevalence of madness in Caribbean texts written in English in the mid twentieth century Kelly Baker Josephs focuses on celebrated writers such as Jean Rhys V S Naipaul and Derek Walcott as well as on understudied writers such as Sylvia Wynter and Erna Brodber Because mad figures appear frequently in Caribbean literature from French Spanish and English traditions in roles ranging from bit parts to first person narrators the author regards madness as a part of the West Indian literary aesthetic The relatively condensed decolonization of the anglophone islands during the 1960s and 1970s she argues makes literature written in English during this time especially rich for an examination of the function of madness in literary critiques of colonialism and in the Caribbean project of nation making In drawing connections between madness and literature gender and religion this book speaks not only to the field of Caribbean studies but also to colonial and postcolonial literature in general The volume closes with a study of twenty first century literature of the Caribbean diaspora demonstrating that Caribbean writers still turn to representations of madness to depict their changing worlds Crosstalk Diana Brydon, Marta Dvořák, 2012-08-07 What are the fictions that shape Canadian engagements with the global What frictions emerge from these encounters In negotiating aesthetic and political approaches to Canadian cultural production within contexts of global circulation this collection argues for the value of attending to narratorial lyric and theatrical conventions in dialogue with questions of epistemological and social justice Using the twinned framing devices of crosstalk and cross sighting the contributing authors attend to how the interplay of the verbal and the visual maps public spheres of creative engagement today Individual chapters present a range of methodological approaches to understanding national culture and creative labour in global contexts Through their collective enactment of methodological crosstalk they

demonstrate the productivity of scholarly debate across differences of outlook culture and training In highlighting convergences and disagreements the book sharpens our understanding of how literary and critical conventions and theories operate within and across cultures

Canadian Gothic Cynthia Sugars,2014-01-15 This book explores the Gothic tradition in Canadian literature by tracing a distinctive reworking of the British Gothic in Canada It traces the ways the Gothic genre was reinvented for a specifically Canadian context On the one hand Canadian writers expressed anxiety about the applicability of the British Gothic tradition to the colonies on the other they turned to the Gothic for its vitalising rather than unsettling potential After charting this history of Gothic infusion Canadian Gothic turns its attention to the body of Aboriginal and diasporic writings that respond to this discourse of national self invention from a post colonial perspective These counter narratives unsettle the naturalising force of this invented history rendering the sense of Gothic comfort newly strange The Canadian Gothic tradition has thus been a conflicted one which reimagines the Gothic as a form of cultural sustenance This volume offers an important reconsideration of the Gothic legacy in Canada

Women and the Gothic Avril Horner,2016-02-22 A re assessment of the Gothic in relation to the female the feminine feminism and post feminism This collection of newly commissioned essays brings together major scholars in the field of Gothic studies in order to re think the topic of Women and the Gothic The 14 chapters in this volume engage with debates about Female Gothic from the 1970s and 80s through second wave feminism theorisations of gender and a long interrogation of the women category as well as with the problematics of post feminism now itself being interrogated by a younger generation of women The contributors explore Gothic works from established classics to recent films and novels from feminist and post feminist perspectives The result is a lively book that combines rigorous close readings with elegant use of theory in order to question some ingrained assumptions about women the Gothic and identity Key Features Revitalises the long running debate about women the Gothic and identity Engages with the political agendas of feminism and post feminism Prioritises the concerns of woman as reader author and critic Offers fresh readings of both classic and recent Gothic works
