

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

These figures suggest that the number of people who are not covered by any form of health insurance is increasing. This is a significant problem for the United States, as it is one of the few developed countries that does not have universal health coverage. The lack of health insurance can lead to financial hardship and poor health outcomes for millions of Americans.
