

SOUTHWEST AIRLINES CO. ♥ SIX STORIES OF FREEDOM

"We, the People of Southwest Airlines, give our Customers the freedom to fly. Every Customer is entitled to three simple rights: Low fares, lots of flights, and the friendliest service in the sky."

— Elizabeth P. Sartain, Vice President — People

Southwest Airlines stands for freedom and we are committed to providing our Customers something different in the airline industry: everyday low fares and superior Customer Service. That philosophy served us well again in 1998, as we recorded our 26th consecutive year of profitability and our seventh consecutive record profit. Earnings for 1998 were up 36 percent with a net profit margin of 10.4 percent and return on equity of 19.7 percent. This kind of financial performance is tops in our industry, as is our Customer Service. Very different for an airline. But then we are very different.

Our operating strategy is unique in the U.S. airline industry. While the rest of the industry has matured, our niche remains a growth market for Southwest. We are a low-fare, high-frequency, point-to-point, shorthaul air carrier. Our operation is efficiently designed to maximize productivity, which reduces costs and maintains our high quality service. We are the low-cost producer in the U.S. airline industry, and that allows us to profitably deliver on our philosophy of everyday low fares.

Low cost doesn't mean less service or low wages. Although we offer competitive compensation packages, it is our rich Culture and dedicated People that make Southwest Airlines such a special place. For the second year in a row, Fortune magazine has named Southwest Airlines one of the best companies to work for in America, a testament to the outstanding People and relationships in our Company. Fortune also recognized Southwest as America's most admired airline and one of America's most admired corporations. Finally, Southwest has been recognized as one of the world's safest airlines.
