cockroaches sniffing feet or tossing tuna in the hope of one day being recognised as the best in the world This astonishing compendium of the weirdest wackiest and most disgusting world records will amuse and astound in equal measure Entries include Longest ear hair Fastest marathon while wearing a deep sea diving suit Fastest bog snorkeller Farthest distance skateboarding by a goat Most bees on body Most milk crates balanced on head Fastest 5 km run while dressed as a penguin and juggling Heaviest airplane pulled with teeth Fastest shopping trolley Longest backwards motorcycle ride Most stairs climbed by bicycle Fastest 30 metres on a scooter by a dog First water skiing squirrel

The Afterlife of Discarded Objects Andrei Guraianu, Natalia Andrievskikh, 2018-12-18 The Afterlife of Discarded Objects Memory and Forgetting in a Culture of Waste As one of its driving principles The Afterlife of Discarded Objects Memory and Forgetting in a Culture of Waste analyzes the double reconstitution of discarded items In this afterlife discarded objects might transform from a worthless object into a plaything or a work of art and then to an artifact marking a specific historical time period This transformation is represented through various forms of recollection stories photographs collectibles heirlooms monuments and more Shaped by nostalgia and wishful thinking discarded objects represent what is wasted desired and aestheticized existing at the intersection of individual and collective consciousness While The Afterlife of Discarded Objects constitutes a version of revisionist historiography through its engagement with alternative anthropological artifacts its ambition stretches beyond that to consider how seemingly immaterial phenomena such as memory and identity are embedded in and shaped by material networks including ephemera Guraianu and Andrievskikh create a written visual and virtual playground where transnational narratives fuse into a discourse on the persistent materiality of ephemera especially when magnified through narrative and digital embodiment The Afterlife of Discarded Objects is printed in full color and includes references an index and over seventy hi resolution color images The Afterlife of Discarded Objects Memory and Forgetting in a Culture of Waste uses contemporary theory literature popular culture and personal narratives to investigate how we assign political socio cultural and aesthetic meaning to objects The book is unique in applying personal narratives and testimonies of contributors from around the world to provide insights and critiques of Western attitudes toward these objects The Afterlife of Discarded Objects provides transformative social commentary through scrutiny and stories of discarded found objects in Eastern Europe and in the West encouraging us to reflect more critically on our relationships with things The stories and theories interwoven in Guraianu and Andrievskikh s book turn memory into matter and aspire to teach through their exploration It s a lofty goal and the book succeeds Sohui Lee

Post-Soviet Nostalgia Otto Boele,Boris Noordenbos,Ksenia Robbe,2019-07-24 Bringing together scholars from Russia the United States and Europe this collection of essays is the first to explore the slippery phenomenon of post Soviet nostalgia by studying it as a discursive practice serving a wide variety of ideological agendas The authors demonstrate how feelings of loss and displacement in post Soviet Russia are turned into effective tools of state building and national mobilization as well as into weapons for local resistance and the assertion of individual autonomy Drawing on novels memoirs documentaries photographs and Soviet commodities *Post Soviet Nostalgia* is an invaluable resource for historians literary scholars and anthropologists interested in how Russia comes to terms with its

Soviet past **Second World Postmodernisms** Vladimir Kulic, 2019-02-21 If postmodernism is indeed the cultural logic of late capitalism why did typical postmodernist themes like ornament colour history and identity find their application in the architecture of the socialist Second World How do we explain the retreat into paper architecture and theoretical discussion in societies still nominally devoted to socialist modernization Exploring the intersection of two areas of growing scholarly interest postmodernism and the architecture of the former socialist world this edited collection stakes out new ground in charting architecture's various transformations in the 1970s and 80s Fourteen essays together explore the question of whether or not architectural postmodernism had a specific Second World variant The collection demonstrates both the unique nature of Second World architectural phenomena and also assesses connections with western postmodernism The case studies cover the vast geographical scope from Eastern Europe to China and Cuba They address a wealth of aesthetic discursive and practical phenomena interpreting them in the broader socio political context of the last decades of the Cold War The result provides a greatly expanded map of recent architectural history which redefines postmodernist architecture in a more theoretically comprehensive and global way Everyday Cosmopolitanisms Kate Franklin, 2021-09-28 A free open access ebook is available upon publication Learn more at www.luminosoa.org Widely studied and hotly debated the Silk Road is often viewed as a precursor to contemporary globalization the merchants who traversed it as early agents of cultural exchange Missing are the lives of the ordinary people who inhabited the route and contributed as much to its development as their itinerant counterparts In this book Kate Franklin takes the highlands of medieval Armenia as a compelling case study for examining how early globalization and everyday life intertwined along the Silk Road She argues that Armenia and the Silk Road itself consisted of the overlapping worlds created by a diverse assortment of people not only long distance travelers but also the local rulers and subjects who lived in Armenia's mountain valleys and along its highways Franklin guides the reader through increasingly intimate scales of global exchange to highlight the cosmopolitan dimensions of daily life as she vividly reconstructs how people living in and passing through the medieval Caucasus understood the world and their place within it With its innovative focus on the far reaching implications of local practices Everyday Cosmopolitanisms brings the study of medieval Eurasia into relation with contemporary investigations of cosmopolitanism and globalization challenging persistent divisions between modern and medieval global and quotidian Walling, Boundaries and Liminality Agnes Horvath, Marius Ion Bența, Joan Davison, 2018-08-06 Contemporary challenges related to walls borders and encirclement such as migration integration and endemic historical conflicts can only be understood properly from a long term perspective This book seeks to go beyond conventional definitions of the long dur e by locating the social practice of walling and encirclement in the broadest context of human history integrating insights from archaeology and anthropology Such an approach far from being simply academic has crucial contemporary relevance as its focus on origins helps to locate the essential dynamics of this practice and provides a rare external position from which to view the phenomenon as a transformative exercise with the area

walled serving as an artificial womb or matrix The modern world with its ingrained ideas of borders nation states and other entities often makes it is very difficult to gain a critical distance and detachment to see beyond conventional perspectives The unique approach of this book offers an antidote to this problem Cases discussed in the book range from Palaeolithic caves the ancient walls of G bekli Tepe Jericho and Babylon to the foundation of Rome the Chinese Empire medieval Europe and the Berlin Wall The book also looks at contemporary developments such as the Palestinian wall Eastern and Southern European examples Trump s proposed Mexican wall the use of Greece as a bulwark containing migration flows and the transformative experience of voluntary work in a Calcutta hospice In doing so the book offers a political anthropology of one of the most fundamental yet perennially problematic human practices the constructing of walls As such it will appeal to scholars of sociology anthropology and political theory *Pedro and Ricky Come Again* Jonathan Meades,2021-03-18 This landmark publication collects three decades of writing from one of the most original provocative and consistently entertaining voices of our time Anyone who cares about language and culture should have this book in their life Thirty years ago Jonathan Meades published a volume of reportorial journalism essays criticism squibs and fictions called Peter Knows What Dick Likes The critic James Wood was moved to write When journalism is like this journalism and literature become one Pedro and Ricky Come Again is every bit as rich and catholic as its predecessor It is bigger darker funnier and just as impervious to taste and manners It bristles with wit and pin sharp eloquence whether Meades is contemplating northernness in a German forest or hymning the virtues of slang From the indefensibility of nationalism and the ubiquitous abuse of the word iconic to John Lennon s shopping lists and the wine they call Black Tower the work assembled here demonstrates Meades s unparalleled range and erudition with pieces on cities artists sex England concrete politics and much much more **Soviet Metro Stations** Owen Hatherley,2019 Stunning photographs of Soviet Metro Stations from across the former states of the USSR and Russia itself many of which have never previously been documented [Make Brilliant Work](#) Rod Judkins,2021-06-10 Everyone would benefit from reading Judkins if only because he is so entertaining packed with counterintuitive insights and hard truths Psychology Today Make Brilliant Work is an inspiring guide to unlocking your creative potential showing you the methods and techniques that will transform your efforts and help you achieve your best ever work You don t have to be brilliant to produce brilliant work Many of the characters you will meet in this book failed at school lacked natural talent were not especially gifted or were repeatedly sacked But their methods produced brilliant work and they will work for you too Make Brilliant Work is the essential book from Rod Judkins author of the international bestseller The Art of Creative Thinking Whatever your creative endeavour you might find it hard to produce something significant and important The real life heroes in this book will show you how to make the transformation from ordinary to extraordinary From Frida Kahlo to Steve Jobs and star architect Zaha Hadid the figures in Make Brilliant Work will show you how to think for yourself take risks and persevere to create brilliant work Whatever your creative hang up Rod Judkins has steps you can take now An admirably

Задания для фотографов* Иван Князев, Александра Кособокова, 2024-11-06 *Rethinking Utopia* David M. Bell, 2017-01-20 Over five hundred years since it was named utopia remains a vital concept for understanding and challenging the world s we inhabit even in or rather because of the condition of post utopianism that supposedly permeates them In *Rethinking Utopia* David M Bell offers a diagnosis of the present through the lens of utopia and then by rethinking the concept through engagement with utopian studies a variety of radical theories and the need for decolonizing praxis shows how utopianism might work within against and beyond that which exists in order to provide us with hope for a better future He proposes paying a subversive fidelity to utopia in which its three constituent terms good eu place topos and no ou are rethought to assert the importance of immanent affective relations The volume engages with a variety of practices and forms to articulate such a utopianism including popular education critical pedagogy musical improvisation and utopian literature The problems as well as the possibilities of this utopianism are explored although the problems are often revealed to be possibilities provided they are subject to material challenge *Rethinking Utopia* offers a way of thinking about and perhaps realising utopia that helps overcome some of the binary oppositions structuring much thinking about the topic It allows utopia to be thought in terms of place and process affirmation and negation and the real and the not yet It engages with the spatial and affective turns in the social sciences without ever uncritically being subsumed by them and seeks to make connections to indigenous cosmologies It is a cautious careful critical work punctuated by both pessimism and hope and a refusal to accept the finality of this or any world

The Top Books of the Year Soviet Bus Stops Christopher Herwig The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
