E-Z French Christopher Kendris, Theodore Kendris, 2010-09-01 Known for many years as Barron's Easy Way Series the new editions of these popular self-teaching titles are now Barron's E-Z Series. Brand new cover designs reflect all new page layouts which feature extensive two-color treatment, a fresh modern typeface and more graphic material than ever: charts, graphs, diagrams, instructive line illustrations and where appropriate amusing cartoons. Meanwhile the quality of the books' contents remains at least as high as ever. Barron's E-Z books are self-help manuals focused to improve students' grades in a wide variety of academic and practical subjects. For most subjects the level of difficulty ranges between high school and college 101 standards. Although primarily designed as self-teaching manuals, these books are also preferred by many teachers as classroom supplements and for some courses as main textbooks. E-Z books review their subjects in detail and feature both short quizzes and longer tests with answers to help students gauge their learning progress. Subject heads and key phrases are set in a second color as an easy reference aid. Barron's E-Z French instructs students with little or no prior knowledge of the language in informal conversational French. They'll find true-to-life dialogues with translations, skill-building exercises, useful verb conjugation charts, explanations of grammatical terms and many more language learning features. Illustrations supplement the text and capture much of the spirit of contemporary France.
