

WHAT IS SOLUTION FOCUSED THERAPY?

Solution-Focused Therapy is an evidence-based form of psychotherapy or counseling focusing on solutions, which is derived from the therapist having a solution-focused mindset. This model is also known as Solution-Focused Practice. Solution-Focused Practice is not only effective for therapists in a therapy setting, but it's also effective in a plethora of other settings as well, including school counseling, education, business, child welfare, health and medicine, and more.

Iveson**

Solution Focused Therapy Hardcover:

Solution Building in Couples Therapy Elliott Connie, 2012-09-14 This brief volume presents the basic premises of solution building liberally enriched with examples This is a remarkable book the first of its kind radical in its message written about couples but also suitable for all manner of referrals Choice Current Reviews for Academic Libraries Elliott Connie has written a remarkable book Read it and you will be taken on a journey If you are new to the world of solution focused brief therapy beware This book could capture your heart As Elliott says from the very beginning solution focused brief therapy is simple so simple it is really hard to learn And from this book if you set out to do so you could teach yourself how to become a competent solution focused brief therapist It is all here laid out clearly packed with examples from the real world of therapy repeated and repeated like onion skins each repetition releasing its own flavour a variation on a theme a new understanding of something already known Chris Iveson MA BRIEF London UK Working with couples presents psychotherapists and counselors with a unique set of challenges such that many therapists prefer not to work with couples or attempt to avoid it entirely In the first book written about solution focused therapy SFT with couples author Elliott Connie describes how his use of SFT made working with couples a pleasure rather than a burden The solution focused approach is one that facilitates cooperation between partners in the creation of an agreed upon future rather than merely focusing on the problems that have come to define the relationship Beginning with a clear explanation of the assumptions and tenets required for the practice of SFT this book presents a step by step breakdown of exactly how to conduct solution building sessions with couples Each chapter focuses on a different part of the therapeutic process and includes sample dialogues techniques and vignettes drawn from the author's own extensive practice Readers will feel as though they themselves are going through the therapeutic process with the couples and observing the impact of each step of the process Numerous exercises and common solution focused questions help readers integrate this new material into their repertoire for immediate use Key Features Provides a unique view of couples therapy in action using the solution focused approach Includes actual questions to ask clients sample dialogues and sample homework assignments Features examples drawn from actual cases illustrating techniques used in practice with real couples Presents scales to measure progress and supporting research for the application of solution focused therapy to couples counseling

Solution Focused Therapy for the Helping Professions Barry Winbolt, 2011-06-15 This accessible guide to Solution Focused Brief Therapy SFBT an effective therapeutic approach which focuses on strengths and achievements provides a practical introduction to what SFBT is and how to use it with clients Barry Winbolt leads the reader through the principles techniques and steps involved in the approach

Solution-Focused Therapy with Children and Adolescents Elizabeth R. Taylor, 2019-03-20 Solution Focused Therapy with Children and Adolescents offers mental health professionals an integration of creative and playful approaches and solution focused therapy The author presents developmentally appropriate and expressive alternatives to oral communication including sandtray

writing puppetry drawing and coloring photography and music The text presents an overview of strength based and creative approaches with a focused examination of the philosophy and process of solution focused therapy then divides chapters into specific stages of therapy beginnings searching for treasure setting goals and ending the session with creative techniques offered in each section The final chapter addresses working with children and adolescents in solution focused groups including how to set up groups and progress through different group stages presenting specific techniques and activities focused on each stage of the group process

101 Solution-Focused Questions for Help with Anxiety Fredrike Bannink, 2015-10-19 A step by step guide to conducting successful solution focused therapy for common anxiety problems This book aims to help therapists working with clients who struggle with anxiety by offering them solution focused SF viewpoints and skills The book invites all professionals to change their focus from what is wrong to what is right with their clients and from what isn't working to what is working in their lives The book contains 101 solution focused questions and more for help with anxiety with a focus on the clients preferred future and the pathways to get there As Insoo Kim Berg put it in her foreword for Fredrike Bannink's highly successful 1001 Solution Focused Questions Handbook for Solution Focused Interviewing SFBT is based on the respectful assumption that clients have the inner resources to construct highly individualized and uniquely effective solutions to their problems From the more than 2 000 questions she has collected over the years Bannink has selected the 101 most relevant for each subject Much of the material in the 3 volume set is unique and did not appear in the earlier work inviting therapists to open themselves to a new light on interviewing clients

Solution Focused Narrative Therapy Linda Metcalf, 2017-03-01 Introduces a Powerful New Brief Therapy Approach This groundbreaking book is the first to provide a comprehensive model for effectively blending the two main postmodern brief therapy approaches solution focused and narrative therapies It harnesses the power

of both models the strengths based problem solving approach of SFT and the value honoring and re descriptive approach of Narrative Therapy to offer brief effective help to clients that builds on their strengths and abilities to envision and craft preferred outcomes Authored by a leading trainer teacher and practitioner in the field the book provides an overview of the history of both models and outlines their differences similarities limitations and strengths It then demonstrates how to blend these two approaches in working with such issues as trauma addictions grief relationship issues family therapy and mood issues Each concern is illustrated with a case study from practice with individual adults adolescents children and families Useful client dialogue and forms are included to help the clinician guide clients in practice Each chapter concludes with a summary describing and reinforcing the principles of the topic and a personal exercise so the reader can experience the approach first hand

Key Features Describes how two popular postmodern therapy models are combined to create a powerful new therapeutic approach the first book to do so Includes case studies reflecting the model s use with individual adults children adolescents and families Provides supporting dialogue and forms for practitioners Authored by a leading figure in SFT and its application in a variety of setting Presents an overview of the history of both models

Doing What Works in Brief Therapy Ellen K. Quick, 2008-03-11 Doing What Works in Brief Therapy A Strategic Solution Focused Approach is both a set of procedures for the therapist and a philosophy one that is shared with clients and one that guides the work of the therapist This second edition continues its excellence in offering clinicians a guide to doing what works in brief therapy for whom and when and how to use it Psychotherapy that follows these guidelines validates the client s most important concerns and it often turns out to be surprisingly brief Author Ellen Quick integrates strategic and solution focused therapy and includes guidelines for tailoring technique and interventions to client characteristics and preferences With clinically rich examples throughout this book offers applications for couples including indications for individual or conjoint sessions Chapter summaries highlighting key points Presents ways of eliciting what clients most want to remember Describes the Doing What Works Group including outcome research findings and all materials needed to run the group Addresses the relationship among the positive psychology movement and this approach and the potential for collaboration Emphasizes an acceptance based stance and how acceptance commonly leads to change Proposes that doing what works and changing what doesn t can provide a transtheoretical perspective for therapists of any orientation

Solution-Focused Case Management Robert G. Blundo, Joel Simon, 2015-11-06 Blundo and Simon have successfully outlined how a solution focused perspective can be a powerful tool for case managers Their understanding and presentation is based upon practice scenarios that are real and applied They clearly demonstrate the impact of thinking and language and the importance of building a collaborative relationship with clients Their work challenges the traditional theory driven interventions that focus on problems and arrive at a diagnosis They encourage a shift to a co constructive partnership that requires a practitioner to respect that clients are experts of their own lives They provide a clear step wise discussion of techniques and strategies that

can be employed working with individuals and families in case management settings This book is a must read Lawrence T Force PhD LCSW R Professor of Psychology Mount Saint Mary College Newburgh NY From the Foreword Solution focused practice is a paradigm that stresses client abilities strengths and individual goals rather than disability Written by a team of educator practitioners noted for their expertise in solution focused therapy this how to text for social work counseling and psychology students guides current and future case managers in learning this strengths based collaborative approach to case management It discusses both the philosophical basis for solution focused casework and demonstrates how it is ideally suited for the case management process The book is based on teaching materials the authors have developed and used in their classes and workshops with undergraduate and graduate students and professionals The text incorporates new research and theoretical developments in solution focused therapy as well as actual practice scenarios demonstrating the process of building a collaborative relationship with individual clients and families Replete with strategies and tools for practicing solution focused case management the text describes such essential skills as identifying goals monitoring progress working with other agencies and transitioning out of treatment It discusses issues related to ethical practice and presents strategies for self care Additionally the book addresses diversity and social justice and their relationships to solution focused practice Student exercises help to reinforce knowledge The text will assist case managers in a variety of settings hospitals nursing homes rehabilitation facilities community based mental health agencies schools prisons court systems and shelters for the homeless and victims of domestic violence to partner with their clients towards finding strengths based and solution focused approaches to resolving issues in a positive way Key Features Authored by noted experts in solution focused education and practice Facilitates a reframing of casework and case management around client strengths and resources Provides specific case examples that allow readers to troubleshoot and apply solution focused principles to practice Includes student exercises throughout the book

Skills in Solution Focused Brief Counselling and Psychotherapy Paul Hanton, 2011-05-09 Aimed at those new to the approach and as a refresher to those that have started using SFBT it covers the key techniques and interventions Structured step by step along the lines of an actual therapy session the book can be dipped into or read cover to cover

Solution Focused Group Therapy Linda Metcalf, 1998 In our managed care era group therapy long the domain of traditional psychodynamically oriented therapists has emerged as the best option for millions of Americans However the process can be frustratingly slow and studies show that patients actually feel worse after months of group treatment than when they began Can and should the group speed a person's progress Now in this must have book marriage and family therapist Linda Metcalf persuasively argues that the collaborative nature of group therapy actually lends itself to time limited treatment She combines the best elements of group work and the popular solution focused brief therapy approach to create new opportunities for practitioners and patients alike Among the topics covered in this valuable guide are how to learn the model how to design a group and recruit members how to identify exceptions to a group member's self destructive behaviors

and thoughts how to help members focus on their successes rather than their failures how to keep the group solution focused when therapists or members fall back into old patterns This unique resource also includes case examples and session transcripts to follow together with reproducible forms that can be used as they are or tailored to a therapist s needs Solution Focused Group Therapy is an up to the minute highly accessible resource for therapists of any orientation Managed care companies in particular will welcome this model which deals so effectively and economically with today s biggest problems including eating disorders chemical dependencies grief depression anxiety and sexual abuse Solution-Focused Brief Therapy Johnny S. Kim, Ph.D.,2013-07-23 Solution Focused Brief Therapy by Johnny S Kim is the first book in the field to provide a practical overview of the essentials of solution focused brief therapy SFBT from a multicultural perspective including intervention skills research applications and implications for practice Case examples illustrate SFBT in action with a wide range of client populations In addition the book incorporates recommendations from the recently developed and approved SFBT treatment manual published by the Solution Focused Brief Therapy Association *Solution-Focused Therapy* Alasdair J. Macdonald,2007 This well structured book should prove a leading text in the solution focused therapy SFT world and will serve as an excellent overview of SFT on those training courses integratively oriented towards the immediate needs of many services and their clients This book will please both SFT aficionados and those like me who are sceptical but open to some persuasion The author has done a superb job of representing SFT in an up to date rigorous and accessible way and has incidentally shown what a concise text on any core theoretical model should look like Colin Feltham *Therapy Today* Packed full of ideas and exercises for trainers and therapists An essential read for professionals wishing to develop their solution focused practice Alasdair communicates the wisdom accumulated over years as a practitioner researcher and enthusiast for the solution focused approach Bill O Connell Director of Training with Focus on Solutions Limited Birmingham Alasdair MacDonald has produced a landmark in the development of solution focused approaches He brings together the history research and evidence for SF practice with many practical strategies for contexts from severe mental health cases to workplace conflict The book is packed with concise insights connections and thought provoking questions presented with great authority and clarity Mark McKergow PhD MBA author of *The Solutions Focus The SIMPLE Way to Positive Change* and co founder of SolWorld Alasdair s book is a welcome addition to the literature in the field of Solution Focused Brief Therapy His wealth of experience in this approach to therapy is effectively communicated through simple explanations of solution focused skills and useful examples of therapist client interactions that illustrate implementation The book contributes and builds upon the existing literature The chapter regarding ethical considerations is unique for a book outlining this therapeutic approach and the chapter exploring the status of SFBT research is contemporary and comprehensive Alasdair s book will be a useful resource for those students training in the SFBT approach Fred Ruddick Senior Lecturer Mental Health Studies RMN RGN Advanced Dip Counselling MA Counselling This book by Alasdair

Macdonald provides an interesting and useful introduction to solution focused brief therapy from the perspective of a well respected consultant psychiatrist The chapters on research and the history of brief therapy will be valued by experienced solution focused practitioners and provides an excellent picture of the current place of solution focused brief therapy in contemporary mental health practice Rayya Ghul co author of Creating Positive Futures Solution Focused Recovery from Mental Distress Alasdair has made a particular and important contribution to the world of solution focused brief therapy through his long standing interest in research This interest and his background in adult mental health work are both reflected in this book thereby setting it apart from other introductions to the approach At a time when resources are tight and professionals under pressure this book highlights the particular relevance and flexibility of the solution focused approach which can be drawn upon usefully by clinicians and managers alike Evan George BRIEF London Solution focused therapy is a relatively new but strongly supported and growing approach Solution Focused Therapy Theory Research Practice contains an overview of current research in the area and an account of the use of solution focused approaches in various relevant therapeutic situations As well as outlining the model and basic principles the text also summarises the evidence base for solution focused therapy discusses ethical issues and includes a series of chapters on applications of the approach with illustrative case studies A specific feature of this book is its use with acute and long term mental illness and the application of the method to a variety of situations in management and in resolving disagreements A helpful resource for experienced practitioners Solution Focused Therapy Theory Research Practice also contains instructional material and guidance and is thus an accessible and valuable text for trainees Dr Alasdair J Macdonald has been a Consultant Psychiatrist in the NHS since 1980 and currently holds an honorary contract with North Dorset Primary Care Trust He is the Research Coordinator and former President and Secretary of the European Brief Therapy Association and is currently a psychotherapist and supervisor in private practice in Dorset

Learning Solution-Focused Therapy Anne Bodmer Lutz, 2013-11-06 Learning Solution Focused Therapy An Illustrated Guide bridges the gap between the traditional medical model of problem focused assessment and treatment and the newer increasingly popular strength based treatment approach The author's objective is to provide another therapeutic dimension thus enhancing problem focused treatment and supporting competency in this strength based modality Psychiatrists pediatricians family practitioners nurses and other mental health providers will appreciate the how to focus of the text its compelling case based approach to learning and its informal conversational writing style The book's structure and features are designed to facilitate learning The book begins with an overview of the core tenets of solution focused therapy starting with solution focused case review and examining both solution focused core assumptions and core questions This helps the reader understand the foundation of this modality and put it into context A primary objective is building the skills necessary to effective solution based therapy and the book includes instruction on conducting a solution focused interview establishing a framework of strengths and resources developing a yes set negotiating

goals amplifying ambivalence and dealing with crisis Solution focused techniques are integrated within supervision and consultation an approach that clinicians who work with students and residents and supervisors who work within agencies will find immensely useful Solution focused psychopharmacotherapy and addiction therapy merit complete chapters providing information that clinicians will find invaluable when applying solution focused techniques in these situations The case illustrations vividly render the dialogue of patient and therapist and are accompanied by detailed explanations and commentary in italics to help the reader learn how to practice this model of treatment Companion videos available online present commonly used techniques that illustrate key features of solution focused therapy in a compelling and enlightening way Learning Solution Focused Therapy An Illustrated Guide provides learning exercises and case illustrations that will help the reader implement practical strategies immediately with patients students supervisees and trainees Practical engaging and evidence based this book will enhance the clinician s ability to connect with and help the patient in a positive way

101 Solution Focused Questions for Help with Trauma

Fredrike Bannink, 2015-10-20 A step by step guide to conducting successful solution focused therapy for survivors of traumatic experiences This book aims to help therapists working with clients who struggle with trauma by offering them solution focused SF viewpoints and skills The book invites all professionals to change their focus from what is wrong to what is right with their clients and from what isn't working to what is working in their lives The book contains 101 solution focused questions and more for help with trauma with a focus on the clients preferred future and the pathways to get there As Insoo Kim Berg put it in her foreword for Fredrike Bannink's highly successful 1001 Solution Focused Questions Handbook for Solution Focused Interviewing SFBT is based on the respectful assumption that clients have the inner resources to construct highly individualized and uniquely effective solutions to their problems From the more than 2 000 questions she has collected over the years Bannink has selected the 101 most relevant for each subject Much of the material in the 3 volume set is unique and did not appear in the earlier work inviting therapists to open themselves to a new light on interviewing clients

Tales of Solutions Insoo Kim Berg, Yvonne M. Dolan, 2001 Clients and solution focused therapists often accomplish remarkable results under seemingly hopeless economic political social conditions In this book mental health and social service professionals worldwide reveal how small actions can yield big changes in people's lives

Beyond Technique in Solution-Focused Therapy

Eve Lipchik, 2011-09-12 Solution focused therapy is often misunderstood to be no more than the techniques it is famous for pragmatic future oriented questions that encourage clients to reconceptualize their problems and build on their strengths Yet when applied in a one size fits all manner these techniques may produce disappointing results and leave clinicians wondering where they have gone wrong This volume adds a vital dimension to the SFT literature providing a rich theoretical framework to facilitate nonformulaic clinical decision making The focus is on how attention to emotional issues traditionally not emphasized in brief strengths based interventions can help unstick difficult situations and pave the way to successful solutions

Beyond Technique in Solution-focused Therapy Eve Lipchik, 2002-05-31 This book adds a dimension to the solution focused therapy literature providing a framework to facilitate nonformulaic clinical decision making Focus is on how emotional issues can help pave the way to successful solutions Case material is also used showing not only what a clinician does at particular moments in therapy but why
