

HOLT Physics

The background of the cover is a dark, abstract composition. It features several bundles of fiber optic cables that appear to be glowing with a blue and white light. These cables are arranged in a way that suggests light being transmitted through them. In the lower right quadrant, there is a prominent, glowing blue sine wave, which is a common representation of a wave in physics. The overall color palette is dominated by deep blues, purples, and a touch of yellow-green from the fiber optic light.
