If you're a beginner looking for an easy guide to whip up some delicious drinks this cocktail recipe book is perfect for you. Whether you're hosting a party or just want to treat yourself to something special these recipes will have you making craft cocktails in no time. *The Teenage Bartender's Mocktail Guide [Metric]: Metric Edition* Jack Tindle, 2025-08-26 We are excited to announce we now have a Metric Edition. My goal was to make not just a basic recipe book but share my stories and create something I'm truly proud to share. Writing it has led to me reminiscing on some of the amazing experiences I had while making these drinks and filming the videos for them. *The Joy of Mixology* Gary Regan, 2003 A comprehensive guide to cocktails provides information on the art of mixology ingredients accessories history and lore and features recipes for a variety of drinks as well as suggestions on how to create variations. Indiana Beverage Journal, 2008 *Adding Ajax* Shelley Powers, 2007-06-20 Ajax can bring many advantages to an existing web application without forcing you to redo the whole thing. This book explains how you can add Ajax to enhance rather than replace the way your application works. For instance if you have a traditional web application based on submitting a form to update a table you can enhance it by adding the capability to update the table with changes to the form fields without actually having to submit the form. That's just one example. Adding Ajax is for those of you more interested in extending existing applications than in creating Rich Internet Applications (RIA). You already know the business side of applications web forms server side driven pages and static content and now you want to make your web pages livelier more fun and much more interactive. This book provides an overview of Ajax technologies and the importance of developing a strategy for changing your site before you sit down to code. Explains the heart and soul of Ajax how to work with the XMLHttpRequest object. Introduces and demonstrates several important Ajax libraries including Prototype script.aculo.us Rico Mochikit. Explores the interactive element that is Ajax including how to work with events and event handlers that work across browsers. Introduces the concept of web page as space and covers three popular approaches to managing web space. Explains how to make data updates including adding new data deleting and making updates all from within a single page. Describes the effects Ajax has on the Web breaking the back button losing browser history dynamic effects that disappear when the page is refreshed and more. Covers advanced CSS effects including drag and drop scroll bars pagination and the use of SVG and the Canvas object. Explores mashups Ajax's ability to combine data from different web services in any number of ways directly in our web pages. You don't need to start over to use Ajax. You can simply add to what

you already have This book explains how **Pour Together: A Cocktail Recipe Book** Roger Kamholz, 2025-03-18 Make great cocktails super simply with this collection of quick easy and creative two ingredient cocktails that you ll be mixing again and again Pour Together is filled with tasty easy and elevated drinks that go beyond your average Gin Tonic in style but not in fussiness You don t need complicated infusions or a bundle of ingredients to create a delicious cocktail Food and drink writer Roger Kamholz teaches you how to whip up innovative two ingredient drinks to sip again and again From light and spritzy drinks like an Oolong hai to a more decadent option like the Debonair and easily batchable beer beverages like the Smoky Paloma Radler this book covers all your cocktail wants and delivers them quickly with minimal if any prep and little to no equipment Whether you re looking for a quick cocktail to enjoy at home or a new and interesting drink to bring to your next dinner party Pour Together will have you on your way to mixing up something delicious in no time These recipes feature beautiful photographs as well as optional garnishes and modifications each offering ways to elevate your cocktail game without over complicating it Casual and approachable Pour Together is for anyone who wants to mix a fun creative drink with ease
