Shackleton, 2013-06 Ernest H Shackleton war ein britischer Polarforscher zu Zeiten des sogenannten Goldenen Zeitalters der Antarktisforschung in der Zeit um das 19 Jahrhundert Im Jahre 1914 brach Shackleton mit dem Schiff Endurance und einer 28 k pfigen Crew auf mit dem Ziel als erster die Antarktis zu durchqueren und zu ergr nden Die Reise wurde jedoch gestoppt als die Endurance auf Treibeis stie und eingeschlossen wurde Nach einiger Zeit des Hoffens musste die Mannschaft das Schiff zur cklassen und sich auf die berwinterung auf dem Eis vorbereiten Es folgten Monate in denen sie um ihr berleben k mpfen mussten und in denen Shackleton seine selbstlosen Qualit ten als Kapit n unter Beweis stellte Dieses Buch erz hlt auf packende Art und Weise die Geschichte der tapferen M nner in der Antartis

South The Story Of Shackleton's Last Expedition 1914 1917 Ernest Shackleton C V O, 2025-05 South The story of Shackleton s last expedition 1914 1917 presents a vivid reflection on endurance leadership and the human drive to overcome the impossible The book centers on an expedition into one of Earth s harshest regions capturing the tension between aspiration and the uncontrollable force of nature At its heart is a confrontation with isolation physical limits and environmental hostility The text enhances the emotional and psychological struggles of men pushed to extremes where courage must extend beyond survival and into loyalty and shared purpose It elevates the idea of leadership not through hierarchy but through empathy and unwavering commitment to others The account also draws on the complexity of preparation the illusion of control and the unpredictability of nature s raw power What emerges is a portrait of unity under pressure the kind forged not by triumph but by refusal to surrender to despair Scientific curiosity while present is overshadowed by the sheer will to persevere This is a study of fortitude an internal force that reveals itself most fully when external certainty collapses In these moments the human spirit becomes both the journey and the destination

South! Ernest Henry Shackleton, 2022-11-13 In South Ernest Henry Shackleton recounts the harrowing and ambitious journey of the Imperial Trans Antarctic Expedition of 1914 1917 blending adventure narrative with a rich reflection on human fortitude The literary style is evocative and immersive employing vivid imagery and suspenseful storytelling to convey the relentless cold and the psychological strains of survival Shackleton s account is not merely a tale of exploration it serves as a poignant exploration of resilience in the face of

adversity all set against the stark and unforgiving backdrop of the Antarctic wilderness Shackleton a distinguished polar explorer was propelled by a deep seated passion for adventure and discovery which was shaped by his early experiences in the Arctic and Antarctic regions His leadership during the expedition marked by unparalleled courage and decision making under extreme pressure culminates in the remarkable story he shares in *South* This account bridges the gap between scientific exploration and the profound human experience illustrating Shackleton's belief in the indomitable strength of the human spirit A must read for adventurers and scholars alike *South* transcends the boundaries of conventional exploration literature offering invaluable insights into leadership and perseverance Shackleton's journey not only chronicles survival but also serves as an enduring testament to hope and camaraderie making it essential reading for anyone captivated by human endeavor against nature's might *South, the Story of Shackleton's Last Expedition, 1914-17* Sir Ernest Henry Shackleton, 1999 This annotated edition of Shackleton's legendary ill fated Antarctic expedition features highly revealing side notes to the explorer's vivid narrative as well as dramatic archival photographs *South* Ernest Henry Shackleton, Sir, Ernest Shackleton, 2009-01-30 In August of 1914 Sir Ernest Shackleton set out with a crew of twenty eight aboard the ship *Endurance* in an effort to become the first men to cross the vast Antarctic land mass Their adventurous tale of exploration soon became a struggle for survival when the ship was enclosed by a sea of ice which slowly crushed it leaving them stranded in a barren icy wilderness What would follow is one of the most gripping tales of heroism and survival in the face of almost certain death to have ever been told Drawing upon the first hand accounts of the men who lived to tell the tale *South* The Story of Shackleton's Last Expedition 1914 1917 is a fascinating saga of polar exploration **South** Ernest Henry Shackleton, 2012-08-04 Hardcover reprint of the original 1920 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Shackleton Ernest Henry Sir *South* The Story of Shackleton's Last Expedition 1914 1917 Indiana Repressed Publishing LLC 2012 Original Publishing Shackleton Ernest Henry Sir *South* The Story of Shackleton's Last Expedition 1914 1917 New York Macmillan 1920 Subject Imperial Trans Antarctic Expedition 191917 *South! Shackleton Sir, 2019-03-19 In 1914 the polar explorer Ernest Shackleton announced an ambitious plan to lead the first trek across Antarctica via the South Pole. The expedition would prove fraught with adventure and peril. South is the remarkable tale of the ill-fated expedition told in Shackleton's own words breathtakingly illustrated in this unique edition with photography from the expedition, modern images of the Antarctic and newly discovered photos from the Ross Sea Party. This handsome edition, first published in 2016, is presented in paperback to coincide with the 100th anniversary of the original publication and features images by expedition photographer Frank Hurley, modern color photography of the fauna and vistas the men encountered, as well as long-lost photos taken by the expedition's Ross Sea Party and discovered in 2013. The expedition's story begins on the eve of World War I when the ship Endurance departed England with Shackleton and his team of six men. The plan was to travel 1,800 miles across the icy continent from the Atlantic side while a second team aboard the Aurora would reach Antarctica's Pacific side and lay out supply depots for the advancing team. As the Endurance approached the continent, however, it became hopelessly locked in an ice floe, beginning a series of harrowing travails. Today considered an adventure survival classic, South is the true story of a thrilling polar expedition. Never before has Shackleton's lively prose been so extensively and stunningly illustrated.

South Sir Ernest Henry Shackleton, 2011-11 This is Ernest Shackleton's gripping account of the doomed Endurance voyage. Setting out on the eve of the First World War, he wanted to be the first to cross the last unknown continent, but the exploration was plagued with problems.

South Sir Ernest Henry Shackleton, 2001 This is Ernest Shackleton's account of the doomed Endurance voyage. Setting out on the eve of World War I, he wanted to be the first to cross the last unknown continent, but the exploration was plagued with problems and ended in a desperate struggle for survival.

South Sir Ernest Henry Shackleton, 2002-12 In 1911, Roald Amundsen beat Robert Falcon Scott to the South Pole, and Scott and his colleagues all died on the return journey. Ernest Shackleton, who had served with Scott on a previous expedition, decided that crossing Antarctica from sea to sea was the last great unattempted journey on the continent. His Imperial Trans-Antarctic Expedition of 1914-17 was a failure. But perhaps because it failed, with Shackleton not only surviving but bringing his crew back alive, the expedition became more famous than many of those adventurous voyages that succeeded. After reaching the Weddell Sea off the coast of the Antarctic Peninsula, Shackleton's ship, the Endurance, became trapped in pack ice and spent 1915 drifting northwards. The Endurance was eventually crushed by the ice and sank, leaving 28 men stranded on the ice. They spent months sheltering from the subzero temperatures as the pack ice continued to drift. Eventually, Shackleton accepted they could not rely on rescue and had to help themselves, so he led five men on an 800-mile voyage in an open boat to reach South Georgia, from where he was able to mount a rescue of all of the men he had left behind on the ice. Every one of them survived, a remarkable tribute to his leadership, courage, and determination. South is Shackleton's own account of the Imperial Trans-Antarctic Expedition. It is a true story of courageous endurance, survival against the odds, and an undeterred sense of adventure. This special edition includes detailed maps so that

the reader can see just how extraordinary Shackleton's achievement was **South!** Ernest H. Shackleton, 2013-12 Ernest H. Shackleton war ein britischer Polarforscher zu Zeiten des sogenannten Goldenen Zeitalters der Antarktisforschung in der Zeit um das 19. Jahrhundert. Im Jahre 1914 brach Shackleton mit dem Schiff *Endurance* und einer 28-köpfigen Crew auf mit dem Ziel, als erster die Antarktis zu durchqueren und zu ergründen. Die Reise wurde jedoch gestoppt, als die *Endurance* auf Treibeis stieß und eingeschlossen wurde. Nach einiger Zeit des Hoffens musste die Mannschaft das Schiff zurücklassen und sich auf die Überwinterung auf dem Eis vorbereiten. Es folgten Monate, in denen sie um ihr Überleben kämpfen mussten und in denen Shackleton seine selbstlosen Qualitäten als Kapitän unter Beweis stellte. Dieses Buch erzählt auf packende Art und Weise die Geschichte der tapferen Männer in der Antarktis. Es handelt sich um einen qualitativ hochwertigen Nachdruck der englischen Originalausgabe von 1920.

South Ernest Henry Shackleton, 2015-07-08 Excerpt from *South: The Story of Shackleton's Last Expedition 1914-1917*. After the conquest of the South Pole by Amundsen, who by a narrow margin of days only was in advance of the British Expedition under Scott, there remained but one great main object of Antarctic journeyings: the crossing of the South Polar continent from sea to sea. When I returned from the *Nimrod* Expedition on which we had to turn back from our attempt to plant the British flag on the South Pole, being beaten by stress of circumstances within ninety-seven miles of our goal, my mind turned to the crossing of the continent, for I was morally certain that either Amundsen or Scott would reach the Pole on our own route or a parallel one. After hearing of the Norwegian's success, I began to make preparations to start a last great journey, so that the first crossing of the last continent should be achieved by a British Expedition. We failed in this object, but the story of our attempt is the subject of the following pages, and I think that though failure in the actual accomplishment must be recorded, there are chapters in this book of high adventure, strenuous days, lonely nights, unique experiences, and above all, records of unflinching determination, supreme loyalty, and generous self-sacrifice on the part of my men, which even in these days that have witnessed the sacrifices of nations and regardlessness of self on the part of individuals, still will be of interest to readers who now turn gladly from the red horror of war and the strain of the last five years to read, perhaps with more understanding minds, the tale of the White Warfare of the South. The struggles, the disappointments, and the endurance of this small party of Britishers, hidden away for nearly two years in the fastnesses of the Polar ice, striving to carry out the ordained task and ignorant of the crisis through which the world was passing, make a story which is unique in the history of Antarctic exploration.

About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
