Spanish recipes for everyday cooking Alfonso López Alonso, More than 100 easy recipes based on Spanish and Mediterranean cuisine for a healthy and diverse diet. This book brings together the best dishes from recetasderechupete.com, one of the most popular recipe blogs in Spanish. This title features 107 easy recipes with step-by-step instructions, colour photos of every recipe, and lively personal anecdotes.

FOREWORD I could tell you that this is a wonderful book. I could also tell you that this book is full of marvelous recipes illustrated with mouthwatering pictures which would make you dream of savoring these dishes one day. I could comment on how well explained all the tricks and techniques needed to cook these recipes are. I could do all this and I would not be lying. But instead, I rather talk about the author. A guy I liked from the minute I met him. He is full of good vibes and has always helped me and other gastro bloggers in every way he could. Alfonso is one of those odd people who likes everyone who does not fit the stereotype of a cautious Galician, since he is bold and direct and on top of everything, he is no dummy. I also deeply admire him for creating one of the best blogs in Spain, *Recetas de Rechupete*. You might be thinking that you couldn't care less about all this and that the personal qualities of the author are not necessary when judging the recipes in a cookbook. This could be true about a conventional cookbook, but never about a blogger's cookbook. The main value in any blog is that it is personal; no one else could have written it. And when it comes to culinary blogs, it is important that they reflect the origins, experiences, tastes, and the obsessions of the person that is driving it. Both *Recetas de Rechupete* and the book are 100% Alfonso. They ooze earnestness and frankness, simplicity, closeness, but above all, the good food enthusiasm put into it by the author. I would love to have my own Alfonso preparing all these meals for me, enjoying his conversation. But since this is impossible, at least until the electronic author is invented, I will just have to resign myself to having the book in my computer and reverting to it every time I am in the mood for an everyday meal.

Spain is a country with a rich culinary tradition, and I've recently had the pleasure of diving into its delicious and diverse world of flavors. I am excited to share my findings with you in this cookbook, *Discovering Spanish Cuisine: A Delightful Culinary Tour of Spanish Recipes*. In this cookbook, I will take you on a journey through the regions of Spain and explore the unique ingredients, cooking techniques, and recipes that define each area's cuisine. We will start in the North, where the Basque Country and Galicia provide some of Spain's most iconic dishes. We will then move on to the central region, where Castilla-La Mancha, Castilla y León, and Madrid offer up hearty, rustic fare. Next, we'll explore the eastern region, where Catalonia and Valencia serve up a tantalizing blend of fresh seafood, rice dishes, and savory stews. And finally, we'll venture

down to the southern Andalusia region where we'll explore the vibrant Moorish influenced flavors of Spain. Within each chapter we'll explore the cultural and historical significance of each region's cuisine as well as the unique ingredients that make each dish so special. You'll learn how to make traditional Spanish dishes such as paella, gazpacho and tortilla de patatas as well as lesser known but equally delicious recipes like zarzuela de mariscos a rich seafood stew from Catalonia and salmorejo a chilled tomato and bread soup from Andalusia. In addition to the main chapters we'll also explore the various sub chapters that delve deeper into specific categories of Spanish cuisine. We'll cover tapas those small plates that are a staple of Spanish dining and explore classic dishes like gambas al ajillo, patatas bravas and croquetas. We'll also dive into the world of Spanish soups with recipes for favorites like sopa de ajo and caldo gallego. And of course we can't forget about the sweet side of Spanish cuisine where desserts like tarta de Santiago and churros con chocolate will satisfy even the sweetest tooth. Throughout the cookbook you'll find tips and tricks to make the most of each recipe. From how to properly cook rice for paella to the perfect way to grill a sardine for espetos, I'll be sharing my insider knowledge to help you achieve the best possible results in your kitchen. You'll also find recommendations for Spanish wines and ingredients to use as well as guidance on how to choose and use the right tools and cookware. Finally in the last chapter we'll wrap up our culinary tour of Spain with some final thoughts and reflections on what makes Spanish cuisine so special. We'll discuss how the country's unique history and culture have influenced its culinary traditions and how Spanish cuisine has become one of the most beloved and influential in the world.
