From Slavery to True Freedom Curtis Flanagan, 2021-09-28 This is an amazing story of a young so called African American man by the name of Curtis Flanagan now known as Nycere Ezikiel Bey and how he overcame persecution by the world's most powerful country The extent in which the local so called authorities would go to stop this young man's goals from being achieved and his message from getting to the people It touches on his childhood and how it shaped the way this man's future of becoming a powerful sovereign outside of legislation which in most cases make life more difficult than if legislation was not prevalent It exposes the actual goal of the government to subject the people of America to the will of the British crown and other involved kingdoms It illustrates times of his life in which seemed so grim most people thought he would remain in prison for a lifetime but if the people realized what was going on they would be outraged that this man was only exercising his inherent rights It tells his spiritual journey from Christianity to Moorish science then to Judaism and how his new found spirituality was a tool to free him from mental physical and spiritual slavery It tells about the dark powers that he used their power and influence to attempt to silence the warrior spirit of the man determined to free himself and also his children from the clutches of what he considered the beast
