

Online Booking Process

The following process shows steps how a travel agency handles booking online.

WorldGuide

01

Visitors log on to the website.

They may find the website on Google search or directly type in the website URL in the search box.

02

They search for a tour – custom or prebuilt package.

Customers can customize a package based on their personal preferences and interests. They can also choose from pre-designed packages that suit them.

03

They select the package based on their personal preferences.

They can have preferences in terms of number of days for vacation, level of amenities they want, the preferred flight, etc.

04

Customers check availability and start booking.

They check the availability of flight, hotel, etc. Once everything is available, they start with the booking process online.

05

They fill out the booking form.

Next, customers fill in the booking form that could ask for their personal details, like number of travelers, name of travelers, length of stay, etc.

06

Customers pay with a credit card online.

They land on the Payment Page where they double-check everything on the booking invoice. Once everything looks good, they enter their credit or debit card details and pay the amount upfront.

07

They get a booking confirmation by email.

The agency sends a booking confirmation email to the customer's inbox. The recipient will click on the confirmation link to confirm their booking.
