Step Right Up Memoirs Of A Sword Swallower:

Step Right Up! Danniell P Mannix, 2015-01-16 Daniel P Mannix's father and grandfather were distinguished naval officers who expected Daniel to keep up the family tradition. Daniel tried, he really did, but when all those attempting to mold him into a respectable cadet eventually gave up, well, what else can a naval academy flunkie do? TA DA! Join a carnival, of course. Inspired by the perseverance, bold imagination, and showmanship of the performers, Daniel was soon eating flaming torches, swallowing swords, and neon lights, walking on knives, assisting as a mentalist, and writing stories about all he experienced. From the pen of a man who lived the life and loved and respected carnival folk, *Step Right Up* will take the reader on a comprehensive and highly entertaining excursion into the vanishing world of sideshow performers. Fire eating and sword swallowing are not tricks, ladies and gentlemen. Allow the talented Daniel P Mannix to explain. **The Wildest Game** Daniel P. Mannix, Peter Ryhiner, 2015-02-24 Peter Ryhiner, hero, adventurer, and romantic, was one of the world's most active wild animal collectors. Born in Basel, Switzerland, on January 1, 1920, Peter knew by the time he was eight years old that he wanted to be a naturalist and explorer and thought about nothing else. His parents listened to him with good-natured amusement but were not so amused when his interests caused him to flunk out of two schools and precipitated his expulsion from a third for truancy. Eventually throwing up their hands in frustration, his family cut off his funds, and Peter had to use all his ingenuity to figure out how to continue collecting and studying animals, including breeding and developing unusual strains of mice, taming adders, and holding tortoise races. By the age of twenty, after a brief stint in the cavalry during WW II and some time spent working for Geigy, a Swiss chemical company, he and an associate from Geigy's began importing animals as a side venture, and Peter was soon launched in the animal business. His journeys led him around the globe, straight through Europe, South America, Africa, and Asia, where he captured and sold thousands of animals to zoos and wildlife parks. His adventures were astonishing: trampled, crushed, chased, bitten, and almost drowned, the animals he sought not only provided Peter with a lucrative though unpredictable career but repeatedly inspired a greater and greater curiosity and love for the wild animals of the world. Peter Ryhiner rarely carried a gun; his intention was not to harm but to study and learn and to educate others, and in fact, he was a man with a vision well ahead of his time. As his success grew, he was sought as a lecturer and made many television appearances. Soon, however, currency restrictions, conservation laws, regulations against importing or exporting many species, and transportation costs took their toll. Although increased awareness and protection of wild animals was desperately needed, new laws and higher costs meant that Peter Ryhiner and other wild animal collectors of the time gradually faded into oblivion. [The Autobiography of Daniel Mannix](#) Daniel P Mannix, 2014-03-07 The only autobiography of the life of the incredible Daniel P Mannix, from the beginning, how his love of animals began and grew into a life-long passion. With an eye for the absurd, impeccable timing, and insightful observations, the author whisks you through the highlights of his eventful career. *The Hellfire Club* Daniel P. Mannix, 2015-02-24 Brilliant, amusing, and utterly immoral young noblemen
