Vaal University 2016 Prospectus:

Bloomsbury World Englishes Volume 3: Pedagogies Yasemin Bayyurt, Mario Saraceni, 2021-05-20 Bloomsbury World Englishes offers a comprehensive and rigorous description of the facts implications and contentious issues regarding the forms and functions of English in the world International experts cover a diverse range of varieties and topics offering a more accurate understanding of English across the globe and the various social contexts in which it plays a significant role With volumes dedicated to research paradigms language ideologies and pedagogies the collection pushes the boundaries of the field to go beyond traditional descriptive paradigms and contribute to moving research agendas forward Volume 3 Pedagogies addresses the teaching of English as a world language Chapters in this volume consider the teaching and learning of English es from a range of perspectives and on the basis of experiences and research from many parts of the world

Lineages of the Global City Shiben Banerji, 2025-07-08 The forgotten history of the occult foundations of the early twentieth century global city War revolution genocide rebellion slump The economic and political turmoil of the early twentieth century seemed destined to rip asunder the ties that bound colonizers and the colonized to one another The upheaval represented an opportunity and not just to nationalists who imagined new homelands or to socialists who dreamed of international brotherhood For modernists in the orbit of various occultisms the crisis of empire also represented an opportunity to reveal humanity s fundamental unity and common fate Lineages of the Global City recounts a continuous if also contentious transnational exchange among modernists and occultists across the Americas Europe South Asia and Australia between 1905 and 1949 At stake were the feelings and affect of a new global subject who would perceive themselves as belonging to humanity as a unified whole and the urban environment that would foster their subjectivity The interventions in this debate which drew in the period s most renowned modernists took the form of a succession of plans for cities suburbs and communes as well as experiments in building drawing printmaking filmmaking and writing Weaving together postcolonial feminist and Marxist insight on subject formation Shiben Banerji advances a new way of understanding modernist urban space as the design of subjective effects
