Yesterday S Posies:

All Our Yesterdays Joel H. Morris, 2024-03-12 A USA Today Bestseller A propulsive and piercing debut set ten years before the events of Shakespeare's historic play about the ambition power and fate that define one of literature's most notorious figures Lady Macbeth Scotland the 11th Century Born in a noble household and granddaughter of a forgotten Scottish king a young girl carries the guilt of her mother's death and the weight of an unknowable prophecy When she is married at fifteen to the Mormaer of Moray she experiences firsthand the violence of a sadistic husband and a kingdom constantly at war To survive with her young son in a superstitious realm she must rely on her own cunning and wit especially when her husband's downfall inadvertently sets them free Suspicious of the dark devices that may have led to his father's death her son watches as his mother falls in love with the enigmatic thane Macbeth Now a woman of stature Lady Macbeth confronts a world of masculine power and secures the protection of her family But the coronation of King Duncan and the political maneuvering of her cousin Macduff set her on a tragic course one where her own success might mean embracing the very curse that haunts her and risking the child she loves *Italian Yesterdays* Mrs. Hugh Fraser, 2020-08-04

Reproduction of the original *Italian Yesterdays* by Mrs Hugh Fraser *More Italian Yesterdays* Mrs. Hugh Fraser, 2020-08-04 Reproduction of the original *More Italian Yesterdays* by Mrs Hugh Fraser **A Winter's Wish** Judy Summers, 2022-10-27 Praise for Judy Summers I thoroughly enjoyed this book The characters are well drawn and believable Lyn Andrews Fascinating insights into Victorian Liverpool and a heart warming story make for an inspiring read Mollie Walton Can she save her family when they need her the most Liverpool 1847 At seventeen Delilah Shaw is the eldest of the eight Shaw siblings and the one who must take charge when her mother and brother die in a tragic manner and her father is left disabled in an accident at the docks Taking care of the cooking cleaning washing and childcare is hard enough but when they can no longer afford to live in the family home Delilah must make the heartbreaking choice to leave it and to take two of her younger sisters to the workhouse Determined to earn enough to get them back Delilah conjures up a plan to start a flower selling business with the support of her new friends Irish siblings Bridget and Frank as well as trusted dockworker Abraham But as her father's drinking habit gets worse and her siblings grow weaker Delilah must ask whether she can really forge a better life for her family before it's too late **Italian Yesterdays** Mrs. Hugh Fraser, 1913 *Yesterday's Porridge* Gordon Finn, 2011-09-29 The word porridge has connotations which associate it with a term of imprisonment which is how I perceived my formative years The mere thought of yesterday's uneaten porridge conjures up a picture of something cold wet and slimy with a possible dried crust on top There can be but a handful of people for whom the victual conjures up such images and memories as it does for me Amongst those I would include a long forgotten colleague in the navy whilst on a deep sea voyage to the Far East He was always keen to extol the virtues of the cereal and had been eating it for breakfast for some eight weeks or more when he happened to be collecting rubbish from the galley one day and came across the empty porridge

sack To his horror the bottom was full of live weevils looking very energetic He was promptly sick Yesterday s Porridge is a novel based on Gordon Finn s experiences as an evacuee during WW2 but seen through the eyes of Francis Tenby who makes a discovery some thirty five years later which alters the course of his life It is the saga of the fictional lives and relationships of characters that Gordon created based on people he knew in a foster home The book will appeal to readers of historical fiction Gordon is inspired by many authors including Charles Dickens Jeffrey Archer and Catherine Cookson **Yesterday's Country Customs** Henry Buckton,2012-08-01 In England today we enjoy a rich diversity of folk traditions many of which can trace their beginnings back hundreds of years They stem from every phase of our antiquity and embody all the peoples who have traditionally enriched our culture In this book we visit some of the best known examples including mumming cheese rolling tree dressing rushbearing beating the bounds flitch trials and Wassailing among many other customs festivals and traditions Covering all aspects of English folklore and tradition including myths legends traditional song and dance games seasonal events and calendar customs this volume encompasses the history of many of England s best loved folk traditions

Better Not Bet a Bluestocking Collette Cameron®,2025-09-16 When scandal threatens to ruin her she must choose marry the rogue who saved her or sacrifice the freedom she treasures most Bluestocking Georgine Thackerly has built her life around independence and caution As guardian to her younger sister she shoulders the burdens of responsibility with quiet strength guarding her reputation as fiercely as her heart Marriage is a trap she swore never to enter especially after witnessing her father s cruelty But when a bullet wound forces her to recuperate under the roof of Robyn Fitzlloyd the very man who unsettles her ordered world her carefully laid defenses begin to crack Robyn Fitzlloyd a successful businessman with a quick wit and generous spirit has little patience for Society s fickle judgments Having raised his younger sister after their parents deaths he understands duty and devotion better than most and he is determined to shield those he loves from harm Georgine s cautious reserve and fierce independence mirror his own sense of responsibility and though their battle of wits both vexes and fascinates him admiration soon deepens into a longing he cannot ignore When a meddling gossip catches them in a seemingly indecent moment and spreads malicious lies Georgine s reputation and her sister s and Robyn s younger sister s futures hang by a thread There is only one shield against ruin marriage Forced into proximity by necessity they discover tenderness where there was teasing and longing where there was laughter But with pride and past hurts between them will either dare to speak the truth first or will silence cost them their chance at love A battle of wits A marriage neither wanted A passion neither expected Step into Georgine and Robyn s Regency historical romance where whispered lies spark a scandal reputations hang in the balance and unrequited love forced proximity a marriage of convenience a determined bluestocking and a lovable rogue collide in a tale that proves the greatest gamble of all is love itself Each book in the Ladies of Opportunity series stands alone though readers often relish the full experience by enjoying them in order CHECK OUT USA TODAY BESTSELLING AUTHOR COLLETTE CAMERON S COMPLETE LIBRARY OF REGENCY AND SCOTTISH

Elizabethan period but with perspectives into earlier and subsequent phases of metonymic writing In chapter 5 a comprehensive discussion of the sonnet and the sonnet sequence shows how metaphoric writing cooperates with the poetic function of language Chapter 6 deals with love poetry as a social political activity whose orientation differs radically from one generation of English Petrarchists to the next **Advances in Robot Kinematics** Jadran Lenarčič, Federico
