Echoes of Harbin Dan Ben-Canaan, 2024-03-06 **Echoes of Harbin** Reflections on Space and Time of a Vanished Community in Manchuria deals with Harbin, a Chinese city that was established by Russians in 1898 and was a home for 38 different national ethnic communities for more than 60 years. Among the communities, second in size was the Jewish community. This book exposes several areas that have contributed to the Jewish experience in China, particularly in Harbin, and paints a revealing picture of what a Jewish community in an alien land was and how it functioned in a space that was shared with other communities. While it starts with a unique space called Manchuria that had its mark on the town of Harbin, it uncovers the active and productive life of a community that wished for a haven but found unrest and hostilities and had to look for it elsewhere. **Catalog** Washburn University of Topeka, 1921

Musings...From the Mind of a U.S. Army Drill Sergeant Eddie McCoy, Chief Warrant Officer U.S. Army (Ret), 2023-11-08 People generally don't read a poem just once. When I run across a poem I like, I may read it dozens and dozens of times and will probably continue to read my favorites until I've moved on to that big drill field in the sky. *Musings* is provided in print by Page Publications and will be on Amazon Kindle and Barnes & Noble and available for ordering in most book outlets. It contains poems, a lot of pictures, and some short stories from my time as a US Army Drill Sergeant, two tours in Vietnam, and later. As with everything I write, net income from the sale of my books is donated equally between Shriners Hospital for Children and St. Jude's Children's Hospital. If you don't have a favorite charity, please consider these two. Everyone needs to share good fortune with less fortunate people, and children are an excellent choice. The final part of *Musings* is something that I wrote for our son when he went off to college. I was trying to provide him with something that fit somewhere in the hidden and mysterious space between Murphy's Law and Moses and The Ten Commandments. It's called McCoy's Prescription. You can contact me anytime at edmcocoy01@hotmail.com. Look for my upcoming children's book *Perry's Little Vessel* due out in the fall of 2023. Enjoy *Musings* many times.

Cages to Jump Shots Robert Peterson, 2002-01-01 Basketball is now over a century old. *Cages to Jump Shots* offers an unforgettable glimpse of its exciting and eccentric early years, beginning in 1891 when James Naismith drew up the first rules through decades of growing popularity and professionalism, and culminating with its fundamental transformation in the 1950s when the twenty-four second shot clock and team foul limit were instituted. Along

the way we learn about all those who were drawn to the game players officials owners and fans and why so many came to love it Drawing on extensive research and a host of interviews with veteran players Robert W Peterson vividly recreates the rough and tumble basketball games of long ago and shows why basketball has become such a celebrated part of American life today This Bison Books edition features an updated appendix of early pro basketball teams **We Winna Be Dauntit!**
