You Said Forever Club Decadence English Edition:

The Juniper Bride Taylor, Maddie, 2014-06-06 Emmalee Gray watches in frustration as her fiancé boards a train west. Told to stay behind and prepare for their wedding, Emmalee has other ideas. She doesn't want to remain home without him, especially with her witch of a step mother and a papa who barely knows she exists. She'd much rather risk Clint's wrath and follow him. Her plan to stay hidden until she gets far enough away from Boston; he wouldn't dare send her back alone. Then she can enjoy some private time and maybe a little adventure with her gorgeous fiancé in advance of their nuptials. Clinton Ryan boards a train for Denver to take care of some ugly business from his past. He'd rather keep the reason for his trip quiet, particularly from Emmalee, until he figures it all out. Content in the fact that his pretty young bride-to-be is safe at home under the watchful eye of her papa, he boards his train west. When a near-fatal accident occurs on the rails, he is surprised to find she has followed him. Now he is stuck with a city-bred debutante on the trail west. Unfortunately for Emmalee, she is a magnet for trouble and finds herself in one scrape after another. To keep her safe, Clint lays down the law: obey his orders or suffer the consequences over his knee. Can they make it to Denver in one piece? When they do, and Clint's shocking past is revealed, how will Emmalee react? With danger and intrigue swirling around them at every turn, can their love survive? *The Banner of Gold*, 1893

Another Green World Richard Grant, 2009-02-19 In 1929, at a youth summit in the Weimar Republic, a group of young Americans meet on a remote mountaintop. Their shifting alliances, rivalries, and sexual intrigues foreshadow the turmoil and violence that will soon engulf Europe. Fifteen years later, these men and women are suddenly reunited as one of them discovers an incendiary document from Heinrich Himmler offering proof of Hitler's Final Solution. A journey from the confusions of youth into the chaos of war, *Another Green World* reaches from the last shimmering summer before the Great Depression into the darkest precincts of the twentieth century.
