1)

You are my strength when I am weak

You are my treasure that I seek

You are my all in all

Seeking you as a precious jewel

Lord to give up I'd be a fool

You are my all in all

2)

Taking my sin, my cross, my shame

Rising again I bless your name

You are my all in all

When I fall down you pick me up

When I am dry you fill my cup

You are my all in all

Chorus

Jesus, Lamb of God

Worthy is your name

Jesus, Lamb of God

Worthy is your name

The Message in the Music, 2010-12-01 The definitive guide to the meaning of today's most popular praise and worship songs Few things influence Christians understanding of the faith more than the songs they sing in worship The explosion of praise and worship music in the last fifteen years has profoundly affected our experience of God So what are those songs telling us about who God is In what ways have they made us more faithful disciples of Jesus Christ In what ways have they failed to embody the full message of the gospel Working with the lists of the most frequently sung praise and worship songs from recent years the authors of this book offer an objective but supportive assessment of the meaning and contribution of the Christian music that has been so important in the lives of contemporary believers

involved with fish and bread and people from the neighboring ten towns flocked to Galilee for His healing preaching and an easy living I was not surprised that the Israelites consumed fish extensively It was Jesus way of creating that exuberant fish industry to draw people to Him and incubate more Christians than ever He has promised us through the whole Bible that whoever believes in Him will have an eternal and abundant life Today I am not lacking because I have discovered His secret and would like to share it with you But first thing first believe every word in the Bible Some Christians may have heard of Qumran commonly called the Dead Sea Scrolls which prove the authenticity of the Hebrew and Aramaic manuscripts of the Old Testament and the rest of the books in the Bible but they may not have realized that hundreds of credited evangelical leaders theologians and scholars had agreed and signed off on the Chicago Statement on Biblical Inerrancy If you know the Bible we have in our hand today has gone through a long process of canonization then you will look at it differently and you will believe every word it says If you want that spiritually and physically abundant life you have to believe every word it says Look at the Biblical Patriarchs did they have abundant lives or second rate ones Yes we could have a better life the secret is in God Rocks **Too Small to Ignore** Wess Stafford,2010-01-20 Too Small to Ignore will encourage you to turn your good loving intentions into strategic actions and empower you to help change the world and the future forever one child at a time The time has come for a major paradigm shift Children are too important and too intensely loved by God to be left behind or left to chance Children belong to all of us and we are compelled to intervene on their behalf We must invest in children all across the world In Too Small to Ignore Dr Stafford issues an urgent call for change His adventures as a boy raised in a West African village provide an often humorous and always captivating backdrop to his profound and inspiring challenges Wess lived the reality of it takes a village to raise a child and calls us to be that loving village for children everywhere Great Talk Outlines for Youth Ministry Mark Oestreicher,2009-08-08 An essential speaking tool for youth workersThese 40 outlines for youth talks written by veteran youth leaders are just the beginning Youth pastors volunteer youth leaders camp directors and counselors and retreat leaders will also find suggestions for bringing talks to life with illustrations object lessons video clips music and more Each outline is followed by dozens of questions for use in small groups to ensure that your words are heard processed and applied Features include Sidebars for every main point which contain key illustrations object lessons and video or music clip suggestions Dozens of small group discussion questions for middle and high schoolers Fully indexed by contributor topic and Scripture All of the outlines are compiled onto a companion CD ROM in Microsoft Word format
