Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book's meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest *Truth, Life, the Church, and the Gospel* Witness Lee, 2002 **City of God, City of Satan** Robert C. Linthicum, 2011-03-01 Why is the city a battleground of hostile principalities and powers What is the mission of the church in the city How can the church be supported in

accomplishing that mission These are the questions that Robert Linthicum treats in his comprehensive and probing biblical theology of the city In the Bible the city is depicted both as a dwelling place of God and his people and as a center of power for Satan and his minions The city is one primary stage on which the drama of salvation is played out And that is no less the case at the end of this pivotal century as megacities become the focal point of most human activity and aspirations around the world This is a timely theology of the city that weaves the theological images of the Bible and the social realities of the contemporary world into a revealing tapestry of truths about the urban experience Its purpose is to define clearly the mission of the church in the midst of the urban realities and to support well the work of the church in the urban world The Collected Works of Witness Lee, 1984, volume 5 Witness Lee, The Collected Works of Witness Lee 1984 volume 5 contains messages and fellowship given by Brother Witness Lee on October 22 through December 20 1984 on January 13 through December 7 1985 and on June 2 1986 From the middle of October until the middle of November Brother Lee traveled to the Far East and ministered in Tokyo Japan Seoul South Korea Taipei Taiwan and Quezon City Philippines He returned to Anaheim California for a few days in the middle of November and near the end of November he traveled to Irving Texas where he remained until the end of the year The contents of this volume are divided into ten sections as follows 1 Three messages given in Seoul South Korea on October 22 through 24 1984 These messages are included in this volume under the title Fellowship concerning the Practice of the Church Life 2 Five messages given in Chinese in Taipei Taiwan on October 27 through November 4 1984 They were translated and were previously published in a book entitled The All inclusiveness and Unlimitedness of Christ and are included in this volume under the same title 3 Five messages given in Taipei Taiwan on October 29 through November 2 1984 These messages were translated from Chinese and were previously published in a book entitled Guidelines for the Propagation of the Lord s Recovery and are included in this volume under the same title 4 Thirteen messages given in Taipei Taiwan three of which were given on November 4 and 15 1984 nine of which were given on January 13 through December 7 1985 and one of which was given on June 2 1986 These messages were translated from Chinese and are included in this volume under the title The Faithful and Diligent Spreading of the Truth concerning the Publication Service 5 Three messages given in Taipei Taiwan on November 5 1984 These messages were translated from Chinese and edited into two chapters and are included in this volume under the title The Organic Service Needed for the Increase and Spread of the Church 6 Ten messages given in Quezon City Philippines on November 6 through 11 1984 They were previously published in a book entitled Truth Life the Church and the Gospel the Four Great Pillars in the Lord s Recovery and are included in this volume under the same title 7 A message given in Anaheim California on November 18 1984 This message is included in this volume under the title The Four Provisions Given by God to Saved Ones 8 Two messages given in Irving Texas on November 24 and December 5 1984 They are included in this volume under the title The Inheritance in the Lord s Recovery and the Way to Gain People as Revealed in the Bible 9 Two messages given in Dallas and
