Green**

Young Daughter Father Story:

Daughters, Fathers, and the Novel Lynda Marie Zwinger, 1991 Interprets the fundamental relationship between fathers and daughters in fiction as the father proposing and the daughter either accepting or refusing Considers a wide range of works and writers from Little women and Huck Finn to Henry James and The Story of O Paper edition unseen 12 95 Annotation copyrighted by Book News Inc Portland OR *Daddy's Little Girl* Gregory E. Lang, 2008-05-06 In this heartwarming celebration of father daughter relationships the New York Times bestselling author of Why a Daughter Needs a Dad captures the important roles fathers and daughters play in each other's lives From the protectiveness and strength a dad provides to the unfettered adoration that can be found only in a daughter the unique qualities of this special bond are illustrated through real life stories of daughters and dads and accompanied by beautiful photographs It's for every dad who longs to return to the days when his daughter anxiously awaited his coming home from work And it's for every daughter who misses the days when her father carried her up to bed or taught her how to dance on the top of his shoes This book reminds us all that no matter what there is and always will be a place for daddy's little girl **Fathers and Daughters in the Hebrew Bible** Johanna Stiebert, 2013-03-28 The father daughter dyad features in the Hebrew Bible in all of narratives laws myths and metaphors In previous explorations of this relationship the tendency has been to focus on discrete stories notable among them Judges 11 the story of Jephthah's human sacrifice of his daughter and Genesis 19 the dark tale of Lot's daughters seduction of their father By taking the full spectrum into account however the daughter emerges prominently as not only expendable and exploitable as an emphasis on daughter sacrifice or incest has suggested but as cherished and protected by her father Depictions of daughters are multifarious and there is a balance of very positive and very negative images While not uncritical of earlier feminist investigations this book makes a contribution to feminist biblical criticism and utilizes methods drawn from the social sciences and psychoanalysis Alongside careful textual analysis Johanna Stiebert offers a critical evaluation of the heuristic usefulness of the ethnographic honour shame model of parallels with Roman family studies and of the application and meaning of patriarchy Following semantic analysis of the primary Hebrew terms for father and daughter as well as careful examination of inter family dynamics and the daughter's role vis vis the son's alongside thorough investigation of both Judges 11 and Genesis 19 and also of the metaphor of God the father of daughters Eve Wisdom and Zion Stiebert provides the fullest exploration of daughters in the Hebrew Bible to date **The Myth of the Missing Black Father** Roberta L. Coles, Charles St. Clair Green, 2010 Common stereotypes portray black fathers as being largely absent from their families Yet while black fathers are less likely than white and Hispanic fathers to marry their child's mother many continue to parent through cohabitation and visitation providing caretaking financial and other in kind support This volume captures the meaning and practice of black fatherhood in its many manifestations exploring two parent families cohabitation single custodial fathering stepfathering noncustodial visitation and parenting by extended family members and

friends Contributors examine ways that black men perceive and decipher their parenting responsibilities paying careful attention to psychosocial economic and political factors that affect the ability to parent Chapters compare the diversity of African American fatherhood with negative portrayals in politics academia and literature and through qualitative analysis and original profiles illustrate the struggle and intent of many black fathers to be responsible caregivers This collection also includes interviews with daughters of absent fathers and concludes with the effects of certain policy decisions on responsible parenting

Stories for the young Hans Christian Andersen,1876 , *Father-Daughter Relationships* Linda Nielsen,2019-06-04 In this fully revised new edition *Father Daughter Relationships Contemporary Research and Issues* summarises and analyses the most relevant research regarding father daughter relationships aiming to break down the persistent misconceptions regarding fatherhood and father daughter relationships and encourage the reader to take a more objective and analytical approach The research is brought to life with compelling personal stories from fathers and daughters including well known celebrities and politicians Boxed quizzes and questionnaires show students how the research can be applied to their own lives while others highlight the relationships between real life fathers and daughters Nielsen discusses the father daughter relationship within a diverse range of family structures including divorced and separated parents gay parents adopted children and children of sperm donors Covering a wide range of topics including the father s impact on his daughter s cognitive academic social and physical wellbeing ethnic minorities and incarcerated or abusive fathers *Father Daughter Relationships Contemporary Research and Issues* gives panoramic view of the most recent research and statistics This book is essential reading for upper level undergraduate and for graduate students as well as for practitioners working with families such as social workers mental health professionals and family counsellors It is especially relevant for courses in psychology sociology women s studies and counselling Linda Nielsen is a Professor of Adolescent and Educational Psychology at Wake Forest University A member of the faculty for 35 years she is a nationally recognized expert on father daughter relationships
