YOUR INNER GOD Carmina Harr,2014-11-07 I can certainly state that writing can change your life It is one of the therapies I practised and it had very good results That is how I began to write the book Initially out of impulse Afterwards I realized how much it helped me writing everything I felt in my heart The miracle offered by writing is that you get the answers to all your questions Those questions to which only your heart can answer Once you find answers to everything you did not even think you would come up with solutions you are absolutely healed I feel that only a person completely healed can help the others The rest is just dust in the wind The message of the book is practically beyond words If you open yourself the God within you will write with your own hand everything your mind would not even think possible A few words about me Following my inner transformation I have become what I am now What are the fundamental features that define me I am a determined woman very active I relish the experiences full of action I always know what I want and where I want to get I act for what I want I am an expansive woman full of life I attract people around me by the intelligence and refinement I have I am attracted to powerful persons with a sparkling intelligence I have spiritual aspirations and I have the spontaneous quality of leading those around me on the path of self discovery

The Book of Revelation: a New Beginning Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint John's Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of God's prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint John's Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance

Could this be possible especially when you might not believe God is real in the first place? Come with Hepz Sullivan as he feverishly pursues his dream of Olympic Gold. After four years of commitment will he finally make these Games his own. **Being An OverComer This Too Shall Pass** Bobbie Davis Jr., 2016-03-31. Being An OverComer is uplifting, encouraging and inspirational. The Bible is clear of the opposition at hand. Likewise, the Word of God instructs us on how to bounce back from the pitfalls of life. Rather, an internal or external struggle exists or events that have happened in which you had no control over. These writings were designed to feed you knowledge and understanding that will draw you closer to the Lord Jesus, thereby bettering yourself and all of those that you will come into contact with. If you're tired of being stuck in a rut or someone that you know of are at a very low point in their life, Being An OverComer is a must read. These truths will help bring you forth as God has already purposed. **The Key of Love** Robert Kelsey, Kathy Kelsey, 2009-06. This book is the result of many years of study and prayer, meditating on the Word, making notes and assembling those notes into something that I believe will be a blessing to others who are seeking God in their lives. I discovered that God was telling me in Matthew 6:33 to seek first of all the Kingdom of God and all of His righteousness. And when I went looking, I wasn't able to find anybody who knew much of anything about what I was asking. So I set out to remedy that situation. And in doing so, I had to learn early on that I had to have a total dependency upon God to give me the answers I was seeking. I had to yield to the Holy Spirit who lives in me because one can't get spiritual answers from the physical. I had to learn to differentiate between the Holy Spirit and the devil talking to me. I had to learn to walk by faith, to step out and obey God. I had to learn that as I read the Word of God, my trust in Him and my faith would grow and go beyond what I could ever ask or think. The Key of Love is designed to be a study guide to get you from where you are to where God wants you to be. Have your Bible with you as you read and take the time to look up and study the numerous references to scripture herein as well as cross references which appear in parentheses following many of the Bible quotations. If you experience a closer walk with God, you will come to know God and to understand just how much He loves and cares for you. Ask the Holy Spirit to help you as you study. John 16:13. Look up each scripture, read several verses before and after the noted verse and study it, meditate on it and let the Word of God be your final judge. God has sent the Holy Spirit into your life to guide you unto all truth. John 16:13. I Thessalonians 5:21. Take full advantage of all that God has provided for you to make your life everything that He has created it to be. To understand God, one must understand that there are Keys to the Kingdom of Heaven that unlock the mystery of how we can know God and achieve what He has planned for us. **The Shocking Truths About Heaven, Hell and Your Birthright Blessing** Franklin T.
