The 9 Insights Jeff Miller, 2006-06 A Woman's Relationship Survival Guide was written to assist women in learning how to better understand their behaviors and swirling emotions when under the influence of a relationship. The guide examines issues surrounding personal responsibility for choices we make and trails we take. Each chapter exposes several paths of opportunity and supports the strengthening and building of the inner self. Though life can become busy and relationships can be turbulent, we must stop at times to rethink just who we are, where we're headed, and what's really right for us as individuals. Besides, it's unfair to claim that our partner doesn't know or understand us if we don't.
