The Marauders Patrick Strickland,2022-01-25 The Marauders is a blistering book a hard ass stare into the voracious mouth of the US Mexico border Patrick Strickland has done a fine piece of reporting from places we don t dare to tread Luis Alberto Urrea author of The Devil s Highway This real life Western tells the story of how citizens in a small Arizona border town stood up to anti immigrant militias and vigilantes The Marauders uncovers the riveting nonfiction saga of far right militias terrorizing the border towns of southern Arizona In one of the towns profiled Arivaca rogue militia members killed a man and his nine year old daughter in 2009 In response the residents organized and spent two years trying to push the new militias out through boycotts and by urging local businesses to ban them The militias and vigilante groups again raised the stakes spreading Pizzagate style conspiracy theories alleging that town residents were complicit in child sex trafficking prompting fears of vigilante violence The Marauders flips the standard formula most often applied to stories about immigration and the far right Too often those stories are told from the perspective of the ones committing the violence While Strickland doesn t shy away from exploring those dark themes the far right are not the protagonists of the book Rather the people targeted by hate groups and the individuals who rose up to stop them in their tracks are the heroes of this dramatic story

Kubrick's Men Richard Rambuss,2021-03-02 A provocative re reading of Stanley Kubrick s work and its focus on masculine desire The work of Stanley Kubrick amounts to a sustained reflection on the male condition past present and future The persistent theme of

his filmmaking is less violence or sex than it is the pressurized exertion of masculinity in unusual or extreme circumstances where it may be taxed or exaggerated to various effects tragic and comic or metamorphosed distorted and even undone The stories that Kubrick's movies tell range from global nuclear politics to the unpredictable sexual dynamics of a marriage from a day in the life of a New York City prizefighter preparing for a nighttime bout to the evolution of humankind These male melodramas center on sociality and asociality They feature male doubles pairs and rivals They explore the romance of men and their machines and men as machines They figure intensely conflicted forms of male sexual desire And they are also very much about male manners style taste and art Examining the formal thematic and theoretical affiliations between Kubrick's three bodies of work his photographs his documentaries and his feature films Kubrick's Men offers new vantages on to the question of gender and sexuality including the first extended treatment of homosexuality in Kubrick's male oriented work

Now That Shot Sucked! Bill Riley, 2022-12-12 Duffers need a different set of mental game strategies than professionals and low handicappers but most golf psychology books are oriented to golf pros and scratch golfers because those are the people who pay for sports psychologists advice Some even say that recreational golfers don't need mental game strategies just more lessons Recreational golfers can benefit greatly from an improved mental game if the strategies are tailored to their needs Duffers want to optimize their performance but they also just want to have an enjoyable round even when their game is less than optimal Now That Shot Sucked Golf's Mental Game for Duffers is written by a psychologist and recreational golfer for recreational golfers to improve their mental game play better and enjoy the game more *Take Your Shot* Riley Scott, 2022-05-01 Sometimes the girl who has it all really doesn't At first glance high school basketball superstar Logan Watts is living the American dream perfect grades perfect appearance perfect boyfriend and a college athletic scholarship already lined up But if people looked deeper they'd see Logan is plagued by the loss of her older brother and unending internal questions about what's missing from her life Logan's world is turned upside down when she catches Carter Shaw the witty and stylish head of the school newspaper and the only out lesbian in school staring at her in class A high school romance is not on Carter's radar She just wants to survive the year so she can move on and enjoy the freedoms of college But when a chance encounter puts her alone with Logan for hours Carter discovers just how much they have in common And Logan realizes Carter could be that thing she's felt was missing all along
