Zachary S Choice Surviving My Child S Suicide:

Zachary's Choice Suzy LaBonte, 2014-10-15 A Christian homeschooling mom of a large family Suzy LaBonte never imagined one of her children might die by suicide She received an agonizing blow the day her sixteen year old son Zachary without threat or forewarning chose to end his own life The following months were bleak and sorrowful as Suzy struggled down a confusing path of shock anger guilt and depression Slowly putting one foot in front of the other Suzy focused on the unfailing character of God her husband s faithful partnership and the hopeful faces of the children before her Plodding and stumbling toward understanding and healing Suzy found that God s faithful companionship and the promises of His Word lightened the darkest hours and sustained her life Healing came slowly and with it transforming lessons of pain and courage With a passion to reach out to encourage other suicide survivors Suzy shares the healing that is found in Christ Jesus Includes a Survival Guide for those impacted by suicide and suggested resources for further support Loss, Survive, Thrive Meryl Hershey Beck, 2019-11-22 No one is prepared for the loss of a child No one It feels completely unnatural for children to predecease their parents Although it is not widely known each year there are over 135 000 under 40 year old deaths in the U S alone And according to one study 19% of parents outlive their children often carrying the weight of horrendous grief to their own graves Isolated and alone is how parents often describe the grief process Well meaning friends and family members usually rush to their side in the beginning Once the floral arrangements have wilted and the dinners from caring friends diminish there isn t really much that can be said to bring comfort to a suffering parent especially if those friends haven t experienced it themselves Unfortunately when these caring friends do bring up the loss quite often they say the wrong things Loss Survive Thrive offers a lifeline of hope Each chapter is an inspirational story written by a parent who also experienced the agony of losing a child reclaimed his her vitality and is now living a fulfilling life Every story is authentic and heartfelt designed to uplift and inspire The collective authors reach out through the pages to virtually hold hands with those who are suffering We the contributors have all been there We know their pain and we know about survival And now through our stories we offer comfort and support in helping them get through the toughest time of their lives Bereaved parents share an unspeakable bond And Loss Survive Thrive imparts insight from what s likely the only voices that grieving parents can hear others who have walked in their shoes This book is a giant step toward healing the grieving heart When Good Men Behave Badly David B. Wexler, 2004-02-01 This is the only book written specifically for men in a language that is respectful to men about how to deal better with the most important relationships in their lives It provides real tools for men who have trouble dealing with the emotional demands of relationships and those affected by them The premise of this book is that good well intentioned men can in times of stress and emotional conflict act in destructive ways that don t reflect their true character From a humanistic and empathetic perspective this book explores the latest research about male psychological development to create a new compassionate narrative for the struggles men face Learn to recognize and label

your internal states Find out why displays of not so masculine emotions are so difficult to deal with and why they can provoke episodes of problematic behavior Explore the father son relationship and the reality of male peer relations see why these patterned interactions can reinforce bad behavior from generation to generation Structured exercises and strategies help transfer the concepts of the book into daily experience David B Wexler Ph D is the founder and executive director of the Relationship Training Institute an organization designed to help couples and especially men who are having problems in relationships His previous work includes *The Adolescent Self* and *The PRISM Workbook* Visit the author at his Web site www.rtiprojects.com

Surviving the Storm Through the Wind of the Spirit Roma Holley, 2019-06-11 *Surviving the Storm Through the Wind of the Spirit* is the story of one woman's journey through grief The loss of her 21 year old son threw her into a storm from which she could see no hope of survival Through the guidance of the Holy Spirit her journey shows her the truth in God's word that we can experience joy again through the promise of eternity Roma Johnson Holley lost her 21 year old son Zachary to a horrific vehicle accident The journey that ensues is one that is more like a roller coaster ride than an actual journey A roller coaster will take you up and down with twists and turns and then eventually return to where it began And so has been this journey Unspeakable joy at the birth of grandchildren and then the remembrance that this child will never know their Uncle Zachary Unspeakable grief at the loss of a beloved cousin and aunt and then the remembrance that they are now in the presence of God This journey is one that no one wants to take but that almost everyone will have to endure at some point in their life The destination of each person will depend upon how we deal with the trials and difficulties along the way Join Roma as she travels a rough and tumble road until she realizes the power of the Holy Spirit The comfort guidance and strength that comes from this one realization changes her entire perspective
