

Yes We Can by Barack Obama

Yes We Can: Barack Obama's History-Making Presidential Campaign is the story of Barack Obama's historic journey from junior Senator from Illinois to—if all polls hold as indicated—President of the United States of America, as documented by Scout Tufankjian, the only independent photographer to cover his entire campaign from before he announced his run through the expected election night celebration in Chicago's Grant Park.

Obama's grassroots journey touched something profound in America, inspiring individuals of every age, color, educational background, and economic status with his visions of leadership, belief in a better tomorrow, and a return to the hallmarks of American ideals. In the course of his visits to almost every state in the union, Obama electrified record-breaking crowds at his rallies and motivated millions of people to engage in the political process. The results have been nothing short of a revolution in political strategy, communication, and activism.
