UNBORED Adventure Joshua Glenn, Elizabeth Foy Larsen, 2015-10-06 UNBORED Adventure has all the smarts innovation and free wheeling spirit of the original UNBORED and its 2014 spinoff UNBORED Games but with a fresh focus on encouraging kids to break out of their techno passivity and explore the world around them whether that s a backyard a downtown or a forest Combining old fashioned favorites with today s high tech possibilities the book offers a goldmine of creative constructive activities that kids can do on their own or with their families From camouflage techniques survival skills and cloudspotting advice to instructions on how to build an upcycled kite or raft to using apps to navigate and explore it s all here along with comics that dive into the secret history of everything from bicycling to women explorers A fun corrective to our over anxious parenting culture UNBORED Adventure encourages kids to become more independent and resilient to solve problems and ask questions and to engage with both their community and natural environment The original UNBORED is already a much beloved distinctly contemporary family brand Along with UNBORED Games UNBORED Adventure extends the franchise in a handy flexibound format so that the whole family can enjoy themselves indoors outdoors online and offline Los Angeles Magazine [A Girl in Three Parts](#) Suzanne Daniel, 2020-04-14 A story of sisterhood solidarity and finding your place in a changing world A GIRL IN THREE PARTS is an unforgettable coming of age story set against the backdrop of the women s rights movement Allegra Elsom is caught in the middle Some days she s eleven and others she feels closer to nineteen Some days she knows too much and others she feels hopelessly naive Some days she is split in three torn between conflicting loyalties to her grandmothers Matilde and Joy and her father Rick none of whom can stand to be in a room together since the decades old tragedy that hit their family like a wrecking ball Allegra struggles to make peace in her family and navigate the social gauntlet at school while asking bigger questions about her place in the world What does it mean to be liberated What is it about becoming a woman that earns her a slap in the face What does it mean to do the right thing when everyone around her defines it differently As the feminist movement reshapes her Sydney suburb Allegra makes her own path discovering firsthand the incredible ways that women can support each other and finding strength within herself to stand up to the people she loves Readers will not soon forget Suzanne Daniel s poignant debut or the spirit of sisterhood that sings out from its pages
