Rachmaninoff and His World Philip Ross Bullock, 2022-08-12 A biography of composer Sergei Rachmaninoff published in collaboration with the Bard Music Festival One of the most popular classical composers of all time Sergei Rachmaninoff 1873 1943 has often been dismissed by critics as a conservative nostalgic holdover of the nineteenth century and a composer fundamentally hostile to musical modernism The original essays collected here show how he was more responsive to aspects of contemporary musical life than is often thought and how his deeply felt sense of Russianness coexisted with an appreciation of American and European culture In particular the essays document his involvement with intellectual and artistic circles in prerevolutionary Moscow and how the form of modernity they promoted shaped his early output This volume represents one of the first serious explorations of Rachmaninoff's successful career as a composer pianist and conductor first in late Imperial Russia and then after emigration in both the United States and interwar Europe Shedding light on some unfamiliar works especially his three operas and his many songs the book also includes a substantial number of new documents illustrating Rachmaninoff's celebrity status in America *The Pianomaker*, 1944 **Normal Instructor and Teachers World**, 1915 **Catalog** Sears, Roebuck and Company, 1922 Jacobs' Orchestra Monthly, 1928
