Sophocles Jacques Jouanna,2022-01-11 Here for the first time in English is celebrated French classicist Jacques Jouanna s magisterial account of the life and work of Sophocles Exhaustive and authoritative this acclaimed book combines biography and detailed studies of Sophocles plays all set in the rich context of classical Greek tragedy and the political social religious and cultural world of Athens s greatest age the fifth century Sophocles was the commanding figure of his day The author of Oedipus Rex and Antigone he was not only the leading dramatist but also a distinguished politician military commander and religious figure And yet the evidence about his life has until now been fragmentary Reconstructing a lost literary world Jouanna has finally assembled all the available information culled from inscriptions archaeological evidence and later sources He also offers a huge range of new interpretations from his emphasis on the significance of Sophocles political and military offices previously often seen as honorary to his analysis of Sophocles plays in the mythic and literary context of fifth century drama Written for scholars students and general readers this book will interest anyone who wants to know more about Greek drama in general and Sophocles in particular With an extensive bibliography and useful summaries not only of Sophocles extant plays but also uniquely of the fragments of plays that have been partially lost it will be a standard reference in classical studies for years to come The Dial Moncure Daniel Conway,1860 **The Oxford History of Classical**

Reception in English Literature David Hopkins,Charles Martindale,Norman Vance,Rita Copeland,Patrick Cheney,Jennifer Wallace,Philip R. Hardie,2012 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This fourth volume and second to appear in the series covers the years 1790 1880 and explores romantic and Victorian receptions of the classics Noting the changing fortunes of particular classical authors and the influence of developments in archaeology aesthetics and education it traces the interplay between classical and nineteenth century perceptions of gender class religion and the politics of republic and empire in chapters engaging with many of the major writers of this period **Film Evaluation Guide, 1946-1964** Educational Film Library Association,1965 *Movies Made*

for Television Alvin H. Marill, 2010-10-11 In 2005 Scarecrow published *Movies Made for Television 1964-2004* a five volume reference set commemorating 40 years of every made for TV film since *See How They Run* debuted in 1964 These books provided a comprehensive listing of every television film and mini series detailing each film's original network airdate and length of broadcast In this latest volume Marill adds another five years of television films providing information for an additional 400 works produced between 2005 and 2009 Along with a brief summary entries also include extensive production credits director writer producer composer director of photography and editor and a complete cast and character listing With a chronology of the films an appendix of movies adapted from other sources and separate indexes for actors and directors *Movies Made for Television 2005-2009* is a welcome addition to a resource highly regarded by scholars and historians of television and popular culture

If You Like The Terminator... Scott Von Doviak, 2012-05-01 *If You Like The Terminator* began life as a low budget B movie seemingly destined for a short run at malls and drive ins before blossoming into a billion dollar franchise that launched the careers of director James Cameron and star Arnold Schwarzenegger The original 1984 film not only spawned three sequels a weekly television series and countless novels comic books and videogames it also redefined the science fiction genre with its blend of high tech and film noir Here is the first book to explore the spectacular array of films television shows and other works that helped inspire *The Terminator* as well as those that have drawn inspiration from it *If You Like The Terminator* delves into the history of science fiction cinema from its earliest days to the golden age of the 1950s and beyond encountering killer robots time travelers and postapocalyptic wastelands along the way This turbo charged journey through time also reviews the improbable career of Arnold Schwarzenegger revisits the action heroes of the 1980s and reevaluates the films of James Cameron before touching down in the computer dominated realm of today's science fiction cinema and projecting the future of the *Terminator* franchise From *Metropolis* to *The Matrix* from *Frankenstein* to *RoboCop* from H G Wells and Harlan Ellison to Roger Corman and Roland Emmerich you'll find them all here in *If You Like The Terminator*
