Young Titan The Making Of Winston Churchill:

Young Titan: The Making Of Winston Churchill Michael Sheldon, 2013-03-14 Most people today think of Winston Churchill as simply the wartime British bulldog a jowly cigar chomping old fighter demanding blood sweat and tears from his nation But the well known story of the elder statesman has overshadowed an earlier part of his life that is no less fascinating and that has never before been fully told It is a tale of romance ambition intrigue and glamour in Edwardian London when the city was the centre of the world and when its best and brightest were dazzled by the meteoric rise to power of a young politician with a famous name and a long aristocratic background Winston Churchill gave his maiden speech in Parliament at the very beginning of King Edward VII s reign in 1901 when he was only 26 By the time the guns of August 1914 swept away the Edwardian idyll he was First Lord of the Admiralty the civilian head of the largest navy in the world In the intervening years he often cut a dashing figure romancing several society beauties tangling with some of the most powerful political figures of his time championing major social reforms becoming one of the leading orators of the day publishing six books supervising an armed assault on anarchists and working harder perhaps than anyone else to prepare his nation for war

Peet,Laura Sjöberg,2019-11-25 This book explores the role of gender in influencing war fighting actors strategies toward the attack or protection of civilians Traditional narratives suggest that killing civilians intentionally in wars happens infrequently and that the perpetration of civilian targeting is limited to aberrant actors Recently scholars have shown that both state and non state actors target civilians even while explicitly deferring to the civilian immunity principle This book fills a gap in the accounts of how civilian targeting happens and shows that these actors are in large part targeting women rather than some gender neutral understanding of civilians It presents a history of civilian victimization in wars and conflicts and then lays out a feminist theoretical approach to understanding civilian victimization It explores the British Blockade of Germany in World War I the Soviet Rape of Berlin in World War II the Rwandan genocide and the contemporary conflict in northeast Nigeria Across these case studies the authors lay out that gender is key to how war fighting actors understand both themselves and their opponents and therefore plays a role in shaping strategic and tactical choices It makes the argument that seeing women in nationalist and war narratives is crucial to understanding when and how civilians come to be targeted in wars and how

that targeting can be reduced This book will be of much interest to students of critical security gender studies war studies and International Relations in general **Struggle and Suffrage in Leatherhead** Lorraine Spindler,2018-11-30 The road to suffrage for the women of Leatherhead was often bumpy and unwelcomed by men and women alike The Women s Suffrage Caravan rolled into Leatherhead on Saturday 16 May 1908 its presence inciting riots amongst many of the menfolk The town s Unionist Club in December 1908 passed the motion that it was unpropitious for legislation on the question of women s suffrage and yet from behind the closed door of her home in Belmont Road women s rights campaigner Marie Stopes had begun to pen Married Love suffrage campaigner Dame Millicent Fawcett would fascinate her audience at Victoria Hall in 1910 and Emmeline Pankhurst s arrest and detention at Leatherhead police station would capture the interest of the nation placing Leatherhead centre stage of the push towards revolution in women s rights By the arrival of the First World War middle class girls were not allowed out without a chaperone few married women had a job and no woman was allowed the vote It was the general view that politics and work were only suitable for men By the arrival of the Second World War Leatherhead s women were still expected to live up to the typical housewife persona where their main role in life was to bring up the children and do the housework The husband was usually the head of the house and his word was law to both his children and his wife the one expected to look after the children Using numerous primary sources this fully illustrated book tells the story of numerous famous and ordinary women who lived and visited Leatherhead between 1850 and 1950 Ella Neate born into a family of local grocers who discovered a talent for operetta Pearl Kew one of the first women in the town to own a car enabling her to drive to work as a teacher in Guildford the charity work of Cherkley Court s Letitia Dixon Emily Moore the Swan Innkeeper these many more fascinating stories of local women whose lives have hidden in the shadows of Leatherhead s menfolk **A Liberal Chronicle in Peace and War** Cameron Hazlehurst,Christine Woodland,2023-07-03 Jack Pease was at the heart of the British Liberal government from 1908 to 1915 holding the position of Chief Whip through two general elections and a member of the Cabinet confronting domestic tumult international tensions and war Pease was an unassuming participant in the deliberations of a unique gathering of political talent His journals as President of the Board of Education from 1911 to the formation of the coalition ministry in 1915 are a closely observed unvarnished record of what he saw and heard in Downing St and Westminster constitutional and Home Rule crises industrial conflict electoral reform women s suffrage controversies struggles over budgets naval estimates and foreign policy Despite his Quaker beliefs Pease committed to supporting war against Germany and his troubled conscience is laid bare in letters to his wife and friends Replete with intimate portraits of his revered chief H H Asquith and the Prime Minister s social circle the journals also provide evocative observations of the contest of ideas arguments and moods of prominent contemporaries especially David Lloyd George as Chancellor of the Exchequer Winston Churchill as Home Secretary then First Lord of the Admiralty and Lord Kitchener as Secretary of State for War Pease s candid accounts augmented by the diaries and letters of others privy to
