

The top half of the book cover features a detailed illustration of a monastery scene. In the background, there are several wooden buildings with dark, steeply pitched roofs, some with small white domes. The architecture suggests a traditional monastic setting. In the foreground, three monks in dark, simple robes are interacting with four German Shepherd dogs. One monk is kneeling on the ground, facing a dog. Another monk stands to the right, looking towards the group. A third monk is partially visible behind the dogs. The dogs are of various shades of tan and black, and some are sitting while others are standing. The ground is a light-colored, possibly stone or dirt path. The overall tone of the illustration is warm and somewhat rustic.

Dog Owner's Manual Bruce Fogle,2003 Packed with information on everything you need to know about caring for your dog at any stage of their lives *New Owner's Guide to Yorkshire Terriers* Linda F,2012-03-02 ABOUT THE BOOK Yorkshire Terriers are majestic little dogs proud and intelligent with flowing locks and human like hair With their spunky attitude that belies their size the Yorkie is a popular choice among dog lovers The Yorkshire Terrier which originally hails from the English city of Yorkshire was a working class dog primarily used as rat catchers in nineteenth century clothing mills Later on the dog

left the realm of the working classes to become a companion pet for high society families in Europe The breed was first recognized by the American Kennel Club in 1885 EXCERPT FROM THE BOOK To socialize your Yorkshire Terrier effectively you should start by introducing him to as many different people as possible Encourage gentle play and petting Make careful choices a single well behaved child will offer your dog a more positive experience than a group of noisy ones will Next on the agenda are the sights sounds and smells of life outside Try and incorporate a variety of environments into your daily walk Take him to the park down a busy street and pay particular care to visit places that you would normally frequent it is imperative that he becomes used to a wide variety of locations As the weeks pass you can build upon his social skills by introducing more and more stimuli Yorkshire Terriers can find it difficult to get along with other animals so you should tackle this potential issue as soon as his inoculations have been administered Puppy training classes are a great idea but you should also attempt to introduce your dog to cats and rabbits from an early age to avoid problems later Your Yorkshire Terrier and Children All things considered the Yorkshire Terrier is a friendly breed of dog although special care should be taken if you have children Your dog will have been introduced to children of all ages as part of your socialization efforts but it is a different thing to have a child meet a dog once to having children and dogs share your home on a full time basis Yorkshire Terriers are one of the smallest breeds of dog in the world and can be extremely vulnerable to rough play They are prone to snap if physically hurt so the majority of quality breeders will not allow a Yorkshire Terrier to be placed with a family that has children under seven years old Buy a copy to keep reading The Original Dog Bible Kristin Mehus-Roe, 2011-10-04 The woofasticsecond edition This attractive copiously illustrated easy to understand volume covers every aspect of responsible dog ownership Library Journal The revised and expanded second edition of the bestselling The Original Dog Bible remains the most comprehensive dog lover s resource on the market The book is divided into eight parts each fully illustrated and designed for easy reference plus helpful entertaining sidebars covering hundreds of related topics With detailed chapters on the requirements of caring for a dog health training and so much more this book will prepare you for a wonderful life with a dog Also included is a catalog of over 250 purebred dog breeds with insightful articles for each Being a veteran veterinarian of twenty five years and a lifetime pet lover I can enthusiastically say this old doc learned new tricks upon reading the consummate book on all things dogs I highly recommend it Dr Marty Becker former resident veterinarian on ABC s Good Morning America and coauthor of Chicken Soup for the Dog Lover s Soul This comprehensive book certainly lives up to its subtitle The best part of the book however covers life with a dog with sections on pet care partners like sitters and walkers emergencies lost dogs biting traveling with a dog and a fantastic chapter on activities one can do with one s dog Publishers Weekly **Weekly World News** ,1999-02-16 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www weeklyworldnews com is a leading entertainment news site **Weekly World News** ,1992-03-24 Rooted in the creative
