Your God Is Too Small:

Your God Is Too Small J.B. Phillips,2012-03-20 This forty year old Christian classic and bestseller is a study group favorite this book challenges readers conventional views about God and encourages them to search for a meaningful redefinition of a higher power that is relevant to contemporary existence Your God is Too Small is a groundbreaking work of faith which challenges the constraints of traditional religion In his discussion of God author J B Phillips encourages Christians to redefine their understanding of a creator without labels or earthly constraints and instead search for a meaningful concept of God Phillips explains that the trouble facing many of us today is that we have not found a God big enough for our modern needs In a world where our experience of life has grown in myriad directions and our mental horizons have been expanded to the point of bewilderment by world events and scientific discoveries our ideas of God have remained largely static This inspirational work tackles tough topics and inspires readers to reevaluate and connect more deeply with a God that is relevant to current experience and big enough to command respect and admiration *Your God is Too Small* J.B. Incorporated,2001-01-01 **Why Science and Faith Belong Together** Malcolm A. Jeeves,2021-02-25 As we try to understand ourselves and the world we live in all too often we look first to science and then if gaps remain in our understanding we try to fill the gaps with reference to God and our faith Such a god of the gaps approach has a long history and is sadly alive and well today This book was written to provide an alternative approach posing this basic question How can educated Christians maintain their intellectual honesty and at the same time be faithful both to Scripture and to science This book provides examples of some of the liveliest science vs faith issues today and suggests ways to think constructively about each of them [The Transforming God](#) Tyron Inbody,1997-01-01 This book offers a bold new approach to the theological interpretation of human suffering Beginning with a description of suffering and evil as religious problems Inbody moves to a critique of the all loving and omnipotent deity in classical theism concluding with a radical interpretation of the Christian God as a vulnerable transforming God **God is Always Bigger** John P. Bowen,2021-01-05 For forty years John Bowen has been

a popular speaker teacher and preacher on university campuses in churches and in classrooms and at conferences across Canada This book brings together forty of his best sermons talks and articles You will be encouraged and you will be challenged You will laugh and cry think and pray sometimes all at the same time The topics are wildly various The Spiritual Quality of Craziness Vacuum Cleaner Church The Vocation of a Garbage Collector Spirituality in my Sixties What s Wrong with Amazing Grace and Strong and Weak a reflection on his bypass surgery in 2017 The audiences are as varied as the subjects a conference of Christians in science the visit of the Archbishop of Canterbury to Wycliffe College a camp reunion a diocesan conference a church planting conference his mother s funeral and not least his own parish church in Hamilton Ontario This is a book to dip into or to read from cover to cover You will not be disappointed Your 'god' Jesuis Laplume,2019-01-04 We live in an amazing universe that was directed in its formation to favor the development of life even the evolution of species like us humans No old man with flowing robes and beard could have done that nor a series of gods that war with each other In tow of my earlier books Alone and You Are In God God Is In You I argue that the universe is within God and that Divinity is of incredible proportions At the present time many humans have chosen to live Love focused lives and many more would like to maybe need to also turn out of just surviving in Fear into learning how to fully live in Love The way some believers describe the god of their religions turns these seekers off I can fully understand their revulsion We humans have many reasons for keeping the god in our Religions down in size so that such an essence does not influence our lives too strongly Many of those in power or with scads of ill gotten gains also have reasons to support concepts that keep god virtually incapable of guiding humans towards Love focused ways We humans who do choose to grow in Love quickly become uncontrollable and if you have done terrible things to get your money or power you feel safer if you can keep all humans in the weak states of Fear You cannot control those who have now advanced far enough in their journey towards their Destiny of becoming Love that they lose all Fear of Death In this mini book I present a plea that all of us who are on our journey towards our Destiny do what we can to build descriptions of the God that we are coming to know then present how that Love focused appears to us We do NOT all have to have the same description but only ones that acknowledge that our God IS Love and seems to be an endless source of Love to us Listening in a Loud World Robert C. Shippey Jr.,2017-02-21 In this astonishing book the author s purpose is to help transform individuals by fostering a spirit of holy listening that enriches faith and opens seekers to the fullness of God s presence and of the neighbor s need The intent is to help the reader develop a faith that seeks understanding and makes real meaning in a world of chatter In each chapter a prominent work of art is interpreted which serves as a focal point for demonstrating how the eyes and heart are integrally involved in hearing the Spirit of God The book explores why holy listening is so difficult by examining key hermeneutical issues within the biblical text and by considering the nature of God the journey of faith and human limits This illuminating book also examines the spiritual need for holy listening and analyzes critical questions of faith that lead to a greater awareness of self and the

church in the mutual calling to be the incarnation of Jesus Christ in a postmodern world Essential in the task of holy listening is an awareness of the importance of spiritual rest and the role of the Sabbath plays in providing an opportunity to participate in the redeeming work of God In this regard the book underscores the need for faith this is both a linear journey toward wholeness and an ability to make home and community along life s way The need for holy listening is made even more acute by the reality of suffering that accompanies life s pilgrimage and the book ponders the meaning of suffering and how it can open one to the presence of the divine More than a theological analysis of suffering the book addresses the author s effort to listen for redemptive meaning in light of his own daughter s struggle with juvenile diabetes The book concludes with a discussion of the spiritual value of silence as the way to experience anew the story of Jesus who beckon those who listen to follow through a life of service and love

Job (Teach the Text Commentary Series) Daniel J. Estes, 2013-07-15 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text

Found in the Middle! Wesley J. Wildman, Stephen Chapin Garner, 2009-05-22 There exists a deep and broad population of Christians who feel the labels of liberal and evangelical both describe their faith and limit their expression of it By working to reclaim the traditional historical meanings of these terms and showing how they complement rather than oppose each other Wesley Wildman and Stephen Chapin Gardner stake a claim for the moderate Christian voice in today s polarized society Found in the Middle offers a foundational approach to the theology and ethics that undergird a congregation where moderate Christians can thrive Wildman and Garner serve as helpful guides on a quest for a humble theology an intelligible gospel message a compelling view of church unity and a radical ethics deeply satisfying to most Christians with both liberal and evangelical instincts Pastors congregational leaders seminarians and all thoughtful Christians will learn how truly moderate Christianity can unite the compassionate openness and social activism of liberal Christianity with the magnetism and spiritual fervor of evangelical Christianity You may feel lost in the middle but you are not alone there The middle may be the place where you find yourself living most authentically

Meet the Bible Philip Yancey, Brenda Quinn, 2010-05-11 The story of the Bible starts with the simple statement In the beginning God created From that first sentence of Genesis the story of salvation unfolds in strange and wonderful mingling of the commonplace and the miraculous the human and the transcendent But if you were born after the baby boom chances are the Bible seems more like an item of passing interest than a book of depth and meaning for the twenty first century If you re not familiar with the Bible it can be difficult to put into perspective the puzzle of kings and prophets giants and seven headed dragons shepherd boys and itinerant preachers Old Testament law and New Testament grace Meet the Bible introduces you to the full epic sweep of the Bible the characters the places the times the

stories and the meanings of this Book of books and shows you that even the most obscure passage can hold relevance for your life once you understand what to look for Award winning writer Philip Yancey and author Brenda Quinn are your guides on this one year reading tour of the Bible Each day s reading includes Scripture contemporary commentary and questions for contemplation all designed to offer insight into how the passage fits into the overall story of the Bible and how it can speak to your life today Meet the Bible takes you through the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Jesus Christ Here are stories to remember images of real people and circumstances closer to your own life than you ve ever imagined By the time you ve finished the year s worth of reading you ll have gained a panoramic view of the whole Bible and a firm understanding of its ideas and teachings If you ve never read the Bible or hardly know the Bible or would just like to read the Bible in a fresh new way Meet the Bible offers an inspiring mix of timeless wisdom and contemporary insight that will cause faith to ignite within you Direct excerpts from Scripture give readers a panoramic tour of the Bible s key passages personalities events and ideas as the Old Testament sweeps into the New Testament Culturally relevant commentary from Quinn and Yancey sheds light on each day s passage examining the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Reflections every five days provide life application for the week s Scripture readings *Ephesians* Klyne Snodgrass,2009-06-26 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

Uncommon Decency Richard J. Mouw, 1992-01-01 Richard J Mouw outlines how we can communicate effectively and graciously with people who disagree with us on the issues that matter most *Lord Is My Shepherd, The* Albert Micah Lewis, 2018 The psalms have something to say to us at every age at every stage of our life's journey In this brief devotional Rabbi Lewis explores three famous psalms in considerable depth going line by line and giving extensive attention to interpretations of the original Hebrew *I Don't Believe That Either . . . However* Tucker E. Dawson Jr., 2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God's immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith

A Year of Faith and Philosophy Vance G. Morgan, 2025-10-07 An exploration of the range of human emotions and interactions as reflected in the lectionary stories of the liturgical year through the curious thought provoking lens of a philosopher In this compelling guide Vance Morgan invites the reader to travel with him on a story laden journey through the liturgical year guided by weekly lectionary readings a journey that explores the intersection of faith and reason and tracks the ways in which the liturgical cycle and spiritual growth can be intimately linked A preacher

s kid raised in a conservative Protestant tradition Morgan found a spiritual home in the Episcopal Church and in the cycles of the liturgical year Weaving together biblical readings philosophical extracts and personal experiences he encourages the reader to explore their own faith journey The text includes selections from lectionary years A B and C as well as questions for reflection discussion
