Koster,2022-12-06 During my travels for work and pleasure I have visited several dozen countries on 5 continents and have gained an appreciation for and understanding of various religions and cultures More importantly I have seen the need for the guidance that the Bible offers and the message of hope for the world This book emphasizes the many ways that the Bible can be used in all aspects of our lives In reality it is the only book that offers real and lasting hope for the human race **FIRST LOVE** Patrick J Vaughan,2015-04-02 This is a message that has been burning on my heart the message of First

Love This I am believing is not only a message but a strong principle that most have not totally grasped including myself Naturally in breaking this down to bring understanding we look at the two key words in this First and Love First means foremost most excellent highest and the best The first of anything is participating in and experiencing the best So doing something first experiencing something first or giving something first is doing experiencing and giving the best that we have As much as I am trying to explain this principle of first It feels that mere words are not doing this justice I know this is a spiritual principle for it goes deeper than what we can experience in the natural It is more important than what most of us has grasped or realized We are going to explore this principle deeper throughout the course of this book Then maybe just maybe we may begin to understand that there was a plan and purpose for everything on this earth Maybe we missed it but maybe it can be restored and reclaimed We will know more as we read and study more
