The Humor Hack Michael K. Cundall Jr., 2022-04-28 The Humor Hack is an entirely different book about using humor to lead a more engaged life It's a playbook filled with anecdotes exercises and discussion of topics that will provide readers a way to understand how humor works and how they can take this knowledge and enrich their personal and professional lives with more laughs enjoyment and mirth The book's content is based in research but not academic in tone or format and is

accessible to the general reader The subject matter is broken into chapters that teach people how to understand recognize and produce more humor in their day to day lives It is written in a friendly and warm tone and avoids being nothing more than a series of stories about humor or an overly theory laden academic book It provides readers with a book that is enjoyable to read informative playful and educational That s why this is best described as a playbook The book is meant to provide a sort of text that is missing in the current books out there that profess to be humor how tos It takes research related to humor and discusses it in an informed yet accessible fashion The Death of the Promise Thomas Sheets,2020-03-19 This book is a continuation of my first effort The Road to Restoration As I continued to write God led me to an understanding of Paul s conversion that made this whole project worthwhile As a Pharisee Paul came to his encounter with the risen Christ with a saved mind set that was sacred to him as it was to all Pharisees Years later Paul writes in Romans and Galatians about being a child of the promise of salvation His conversion was therefore from believing he was saved possessing salvation to being possessed by the hope and promise of salvation and looking forward to that moment of reward resurrection and the fulfilment of the promise God made to Abraham at Christ s Second Coming I never had a sense of having been saved so It was easy for me to see myself like Paul living in the light of the hope and promise of salvation It was also easy to see the people around me with their sacred saved mind set being in the same darkness Paul was in before his encounter with Christ This is the conversion that most in our culture desperately need to have today Living in the light of the promise of salvation rather than in the darkness of the possession of salvation Paul details his conversion very vividly in Titus 3 3 7 read NIV He also tells us that this is the foundation of his faith in Titus 1 2 NIV prior to 2011 I hope as you read you will see how this evolved in my head as I did not know the end at the beginning I did not work from an outline and only wrote as I was being led by the Spirit
