Titan: We fell in love — in the cruelest of ways. MJ Fields,2019-04-17 A stand alone novel in the Norfolk Series Not all officers are gentlemen some are villains Not all protectors care for your heart some shatter it He was all of that and more One look at him and something inside of me woke from a three year slumber One realization and I knew I would never be able to unleash that desire My world started to crumble Fear crept in and I knew I needed Titan more than I could ever admit or I could lose everything I had worked so hard for Lines were crossed Tragedy followed We fell in love in the cruelest of ways

Irons 1 MJ Fields,2022-01-01 She wasn t part of the plan Jax I was born and bred to be the man I am today My father and his father were both graduates from The United States Naval Academy in Annapolis Both went on to become helicopter pilots Both had seen plenty of action Both had met and caused devastation Both men who I respect more above all had served and protected the United States and her people honorably for decades My best friend William Cruz who attended the academy with me had flown beside me had lived the same life as I had and shared the same ambitions in life was gone now This was not part of the plan Will and I were supposed to have each other s backs support each other and never let anything supersede our bond Francesca I sat on Norfolk Beach needing to feel close to him on the anniversary of his death It

was a beautiful day in May and I was cutting class I had done the same every year since he passed His best friend Jaxson Irons was only supposed to be in Pensacola for a year But now three years later I still hadn't heard from him I saw a man running down the beach and I knew immediately who it was Jaxson didn't respond the way I had dreamed he would He told me we would catch up someday soon I stood and watched until he was gone Thump thump I placed my hand on my chest as I felt my heart beat again for what felt like the first time in three years Thump thump I felt the blood moving quickly through my body It's heat once again present Thump thump I looked up at the sky and let out a breath A breath that I had been holding forever Thump thump I felt tears fall down my face as I raised my hands in the air and laughed out loud Just then the clouds parted for the first time in forever I saw the sun smiling down on me
