Zen K. D. Jones,2014 In book six of the Galactic Cage Fighters Zen the Sin is the hottest male in the Galaxy according to the Galactic Times and every woman who attends a GCFA fight Being charming comes naturally to Zen giving him the ability to play the part of the Galactic Cage fighter playboy well He poses with fans signs autographs and is a pro at doing commercials No one sells sex better than Zen the Sin So when the Galactic Times sends a female to do a two week long expose it should have been just another day in the life of Zen the Sin Problem is she doesn't seem to fall for his usual playboy routine nor does she seem swayed by his good looks Shawna Baker jumps at the opportunity by the magazine she works for and agrees to do an in depth interview with the fighter known as Zen the Sin She has been waiting for this day to come for years a chance to travel on the Galactic Cage Fighters ship and get to learn about a man from her past The only drawback is having to deal with a well known womanizer but decides that if he gives her a hard time then she would dig up dirt on him there should be plenty What she doesn't count on is Zen isn't all he seems to be he has many layers discovering the easy going man is much more complicated Against her will she becomes instantly intrigued by him leaving her craving to peel back each layer to find the real man underneath Not everyone is happy with Shawna's presence on board the GCFA ship including a mother who is furious with her for taking the job and does not want her to have anything to do with the halfsies especially Zen Things soon become complicated and dangerous when her presence provokes one of Zen's fans one who has begun to stalk him Will Shawna get past her preconceptions and her mother's hatred of all halfsies Will Zen open up allowing someone to get close to him Can they overcome the hate and fear before it tears them apart Or will Zen's easy nature be his downfall when the stalker turns deadly
