Principles and Cases in the Legal Environment offers students a readable rigorous and practical introduction to the real world of business law. Students receive not only a thorough explanation of the legal and regulatory issues affecting businesses but also have the opportunity to apply what they learn to real business situations. All chapters contain outlines, summaries, margin notes, and comprehensive question and problem material. The majority of cases and examples are current, condensed, and presented in the language of the court. An interesting feature includes a thread case applying practical applications to a hypothetical business.
